Prayers and Meditations of St. Anselm with the Proslogion Anselm, 2006-06-29 Mostly written between 1070 and 1080 before he became Archbishop of Canterbury the prayers and meditations of Anselm of Aosta created a tradition of intimate intensely personal devotional works written in subtle and theologically daring prose While the Prayer to God is based on the Lord s Prayer the Prayer to Christ is inspired by ardent private emotion and other prayers invest saints with individual attributes with John the Baptist as the friend Peter as the shepherd and Mary Magdalene as the forgiving lover among many others The meditations include a searching exploration of the state of the soul and a lament on the loss of purity and the Proslogion discusses the mysteries of faith With their bright imagery beautiful language and highly original thought the works of Anselm have secured a lasting place in both religious and secular literature **The Publishers Weekly**, 2004

Meeting of Religions and the Trinity Gavin D'Costa, 2000-06-29 One of the most discussed topics of our time is Christianity s relation to other religions In this important new book one of Britain s leading contemporary theologians develops a sharp and penetrating critique of the pluralist position In the tradition of Alasdair MacIntyre and John Milbank D

Costa shows that too often it masks a secularizing agenda traceable to the worst aspects of Enlightenment modernity. Even by its own criteria, pluralism does not succeed. D. Costa demonstrates this by exploring the meeting of the religions in its leading exponents from Christianity, Judaism, Hinduism, and Buddhism. He discovers the influence of Western modernist thought or else a veiled exclusivism not only in Hick, Knitter, Cohn, Sherbok, and Panikkar but even in Radhakrishnan and the Dalai Lama. He then goes on to establish an alternative Trinitarian approach to interreligious prayer and tolerance, drawing on recent discussions of other religions as vehicles of salvation. The final section of the book represents the first major systematic theological study of interfaith prayer.

Meditations for every day in the year Richard Challoner, 1859 **The Utne Reader**, 1999 The Christian Course Or Helps to the Practice of Meditation Thomas May, 1876 **The Field Hospital Church**

John Gonzalez, 2024-12-18 I see clearly Pope Francis said at the outset of his papacy that the thing the church needs most today is the ability to heal wounds and to warm the hearts of the faithful; it needs nearness, proximity. I see the church as a field hospital after battle. This inspiring vision by Pope Francis speaks volumes on the importance of the Catholic social tradition and the role of pastoral ministry in addressing the social issues of our time. The premise for this book is the recognition that society is in a state of deep transition. This social transition includes massive and daunting cultural, political, economic, and environmental changes. But for members of the Catholic Church, Pope Francis' vision can inspire the need to rethink and promote parish social ministry throughout the United States. This guiding metaphor can serve as an interpretive lens for the Church to become an instrument of systemic change through the parish and diocesan level. After spending decades promoting social ministries at these local levels, Latinx activist and scholar John Gonzalez is convinced that the Catholic church can and should play a more effective role in responding to these needs, particularly if those working in the trenches have a clearer, deeper understanding of Catholic social teaching. This book will show the soaring aspirations of social justice in the Catholic tradition and what it means to put those aspirations into practice. Drawing on the author's poignant experiences in social ministry and his occasional dark nights of the soul, *Catholic Social Teaching in Action* is the story of how to make a difference. It demonstrates that Catholic social teaching and pastoral ministry is integral to a truly faithful Church—a Church that responds to the pain and suffering in our world and lives up to the theological and ethical commitments found in the Gospels. By showing Catholic social teaching in action, John Gonzales reveals a Church that, in the words of Pope Francis, can heal wounds and warm hearts.
