**Counseling** John F. MacArthur, Wayne A. Mack, Master's College Faculty, 2017-03-07 Gain a knowledge of counseling methods that are practical and consistent with Christian theological convictions. What do the Scriptures say about counseling? What is the biblical basis for using Scriptures in counseling? What does it mean to think biblically about counseling related issues? At the root of this book is the confidence that Christ and his Word are not only sufficient for effectively handling the personal and interpersonal challenges of life but are superior to the resources found in the world. The practice of psychological counseling is a ministry and should not belong only to the realm of humanistic and secular theories of the mind. Written to pastors, elders, deacons, seminary students, and laypeople, well known pastor John MacArthur and contributors present a system of biblical truth that brings together people, their problems, and the living God. This kind of counseling is based on the convictions that God's Word should be our counseling authority. Counseling is a part of the basic discipling ministry of the local church. God's people can and should be trained to counsel effectively. *Counseling: How to Counsel Biblically* provides biblical guidelines to counsel people who are struggling. The contributors represent some of America's leading biblical teachers and counselors including Ken L. Sarles, David Powlison, Douglas

Bookman David B Maddox Robert Smith William W Goode and Dennis M Swanson      **Caring for Souls** Harry Shields, Gary Bredfeldt, 2001-01-01 Caring for Souls is a helpful primer on the intersection of psychology and Scripture How psychology fits into Christianity is a thorny and often confusing subject for many There is a great deal of disagreement even among experts In Caring for Souls Gary Bredfeldt and Harry Shields address the intersection of Scripture and psychology in Christian counseling The authors address different approaches and analyze them against Scripture and then provide readers with practical teaching on implementing biblical counseling      *Equally Yoked* Matthew R. Akers, 2016-03-03 During the past fifty years Western culture has experienced a significant shift in its overall stance regarding multiethnic marriage As a result more North Americans than ever marry spouses whose ethnicity or culture differs from theirs This trend also is observable in Christian circles Unfortunately few resources exist to help multiethnic couples maneuver through the potential minefield of cultural collision The purpose of this volume is to provide such a resource *Equally Yoked* examines the subject of multiethnic marriage from a biblical perspective before considering a history of the practice in North America over the last four centuries Additionally this book surveys the challenges that multiethnic Christian couples frequently encounter and offers premarital counseling propositions that will prove valuable to both counselors and couples who originate from diverse backgrounds

Gospel-Centered Marriage Counseling Robert W. PhD Kellemen, 2020-09-15 Pastors and counselors regularly minister to people whose marriages or families are in crisis Tempers run high and feelings are brought low when a marriage is hurting or a family is in disarray Pastors and counselors need practical biblical help in order to connect their theological training to the reality of modern messy relationships These how to training manuals provide relevant user friendly equipping for pastors counselors lay leaders educators and students enabling them to competently and compassionately relate God's Word to marriage and family life      The Prerequisite for Wisdom Charles S. Waller, 2012-02 The text before you is an effort by the author to identify the reasons why counseling fails He judged through his experience that too many counselees were simply walking away from counseling They stated there had been no growth or change only dissatisfaction with their life in Christ Thus there seemed to be a missing ingredient Following a study of the principal themes of Proverbs the author became certain about what was lacking He determined that his clients were working without The Fear of the Lord Their approach lacked a sincere reverence for God and few desired to make Him preeminent Thus failure was certain The Fear of the Lord is the means by which wisdom knowledge and understanding is bestowed humility is gained and true charity becomes the practice of the Believer's life Not until one truly makes God preeminent does real biblical change sanctification satisfaction and true joy become possible      The Gospel for Disordered Lives Robert D. Jones, Kristin L. Kellen, Rob Green, 2021-10-01 This volume provides an introductory guide to the theory and practice of Christ centered biblical counseling
