True Faith Rev. Silas Kanyabigega DMin, 2017-02-24 God required the price to remove his anger against the humankind who offended him He wanted to see in that price a death with bloodshed as evidence demonstrating a sacrifice for the forgiveness of the sinners For God all sinners had to die So when Jesus died the corpse of Jesus represented the corpse of all sinners God was satisfied when he saw the corpse of Jesus God put in his mind that he had killed all mankind The punishment was then given and the problem between him and the humankind was resolved Jesus Christs corpse has ability to be the price required by God His blood as a killed sacrifice is the evidence of the death required by God The blood of animals was not needed in the mankind's

salvation process The blood required by God was to be a mankinds blood This blood had to come from the death of a perfect person perfect as God himself The problem was only to be solved by the blood of God himself because only God is perfect But God could only die by taking human form that is why the Second Person of the Trinity Jesus Christ descent to earth to die in the place of humankind through an agonizing death at the cross of Golgotha and therefore he paid the price required by God Then God died as self substitution for men He was God man In beliefs of different world religions we cant find any other god who died for people Only God in whom Christians believe in died for humankind and he had risen He is alive Only the Faith in God propitiated for sinners is True Faith and other beliefs are false faith

Character Theology Tom Steffen, Ray Neu, 2024-02-21 Character Theology provides a natural universal way for the world to engage God through his chosen cast of characters As the media eras continue to change oral to print to digital virtual too many Bible scholars and consequently pastors and Bible teachers in the West and beyond lack capability to effectively communicate Scripture to Millennials Gen Z and Gen Alpha These generations find little if any relevance in the Christianity promoted by those stuck in modernity's sticky abstract systematic theology Character Theology relates sticks and transforms these generations Why Because people grasp and engage God most naturally and precisely through his interaction with biblical characters and their interaction with each other Characters communicate the Creator's characteristics The roadmap to the recovery and expansion of Christianity in the twenty first century will be through Bible characters

Wayne Grudem's Systematic Theology 1 Ken Schenck, 2013-03-04 Wayne Grudem's Systematic Theology is widely influential It is well laid out easy to understand and has components that make working through it a spiritual experience The problem is that it is wrong at a number of fundamental points This is the first of seven booklets summarizing and evaluating Grudem's theology This first booklet evaluates his theology of Scripture whose underlying problem is that it is riddled with anachronistic thinking Grudem neither fully knows how to read the books of the Bible in context nor is aware of how fundamentalist Reformed influences have skewed his interpretations of Scripture
