Children's Bureau,1924 **The Children's Friend** ,1909 **The Tyranny of Shams** Joseph McCabe,2020-12-08 In *The Tyranny of Shams* Joseph McCabe crafts a rigorously argued examination of the societal illusions that constrain human progress With incisive prose and a critical eye McCabe dissects the layers of superstition dogma and unreason that he posits as the true oppressors of enlightenment The book is a clarion call for intellectual liberation resonating with the rationalist movements of its time while reflecting the author s own experiences in a world straddled between tradition and modernity McCabe s literary style marries sharp wit with thorough analysis making complex ideas accessible to a broad audience while never sacrificing depth or nuance Joseph McCabe a renowned freethinker and prolific writer was heavily influenced by the intellectual currents of the early 20th century A former Catholic priest who became a vocal critic of religion McCabe s transition to secular humanism fueled his passion for dissecting the fallacies and societal shams that he believed stifled human potential His extensive works on atheism and skepticism reveal a mind dedicated to unveiling truths obscured by perceived wisdom *The Tyranny of Shams* is an essential read for anyone interested in the intersections of faith reason and social critique McCabe s fearless exploration not only challenges readers to confront

uncomfortable truths but also empowers them to envision a more enlightened society unshackled from the confines of unreason

The Medicine Wheel for Step Parents Mary Jane Grange R.N.,2012-02-14 With The Medicine Wheel for Stepparents I hope to give some understanding and relief to blended families Stepfamilies have common threads of dysfunction There are many issues that form these common threads These issues occur between stepparent and stepchild and biological parent biological child and extended family in blended families I have listed the issues and have offered affordable solutions that are within our grasp These common threads reappear in every aspect of family life including financial matters such as your child's Social Security checks child support checks medical bills and the parents will These issues occur when the power structure changes in a home after a divorce or death in a family Everyone is left in a gigantic power struggle which retires parents prematurely Stepparents and stepchildren feel that they must protect their territory ego and family with secrets isolation intimidation manipulation and stonewalling behavior When stepfamilies are choking parents stepparents and stepchildren do not have to be severely depressed take multiple medications for depression and energy get a divorce or attempt suicide for relief Biological parents and stepparents do not have to be retired prematurely There are better ways to keep everyone functioning in blended families My book will not take away all the opposition you experience in blended families We learn by overcoming opposition not creating opposition This book helps you analyze and carry the opposition to your efforts for your blended family
