Wangari Maathai The Woman Who Planted Millions Of Trees:

Wangari Maathai Franck Prévot, 2015-01-06 Trees are living symbols of peace and hope Wangari Maathai Nobel Peace laureate Wangari Maathai changed the way the world thinks about nature ecology freedom and democracy inspiring radical efforts that continue to this day This simply told story begins with Green Belt Movement founder Wangari Maathai s childhood at the foot of Mount Kenya where as the oldest child in her family her responsibility was to stay home and help her mother When the chance to go to school presented itself she seized it with both hands She traveled to the US to study where she saw that even in the land of the free black people were not welcome Returning home Wangari was determined to help her people and her country She recognized that deforestation and urbanization was at the root of her country s troubles Her courage and confidence carried her through adversity to found a movement for peace reconciliation and healing Aur lia Fronty s beautiful illustrations show readers the color and diversity of Wangari s Africa the green trees and the flowering trees full of birds monkeys and other animals the roots that dig deep into the earth and the people who work and live on the land

Wangari Maathai Franck Prevot, 2017-06-06 Wangari Maathai received the Nobel Peace Prize in 2004 for her efforts to lead women in a nonviolent struggle to bring peace and democracy to Africa through its reforestation Her organization planted over thirty million trees in thirty years This b

Wangari Maathai Lisa A. Crayton, 2020 Wangari Maathai was a fierce protector of the environment and a courageous advocate for women s rights especially in her native country of Kenya Her journey from a girl of rural Africa to college professor founder of the Green Belt Movement and Nobel Peace Prize Laureate shows readers how little things can bring about big change

Integrating Social and Emotional Learning with Content Katherine Kapustka, Sarah Bright, 2022-03-14 Integrating Social and Emotional Learning with Content builds a framework for creatively and effectively using picture books to integrate social and emotional learning SEL with teaching across content areas Thoughtful book choices in mixed ability early elementary classrooms have the power to not only support gifted students as they develop academically but also to provide an opportunity to address their unique social and emotional needs such as asynchronous development and an early awareness of complex and challenging issues in their lives and the world at large Picture books are an invaluable tool for this work because the characters topics and settings increasingly represent and celebrate the lived experiences of diverse student populations supporting culturally responsive teaching Packed with lesson plans book lists and more this book is perfect for teachers in gifted and mixed ability classrooms as well as homeschooling parents looking to help their children make meaningful connections between their culture languages and lived experiences and the academic content and SEL skills they are being taught in the classroom

Ecologies of Community in Performance Karen Savage, Dominic Symonds, 2025-10-02 In their previous book *Economies of Collaboration in Performance* Savage and Symonds explored the economy as a metaphor for understanding collaborative practices in the arts This book *Ecologies of Community in Performance* continues to explore arts practices

focusing on communities and turning to the language of ecology to understand the complexities and working dynamics of arts communities The book provides a thoughtful analysis of how communities work as ecologies offering case studies of community processes by way of illustrating the main discussion In doing so it reveals how the triangulation of ecology community and performance allows for a deeper understanding of dynamic relations in the arts enabling scholars practitioners and policy makers to better conceptualise ecological thinking in relation to 21st century arts practices

Linking Picture Book Biographies to National Content Standards Liz Deskins,Christina H. Dorr,2015-11-23 Presenting beautifully illustrated picture book biographies this book pairs narrative nonfiction biographies rich in language and illustrations with national content standards in the social studies science and the arts The current focus on promoting nonfiction reading at all ages has brought to attention the value of narrative nonfiction in the form of new picture book biographies But which of the thousands of these types of titles will have maximum teaching impact and be interesting to students This book identifies the best of the best in new picture book biographies that are rich in language and illustrations and best support national content standards in science social studies and the arts Written by authors with a combined experience of more than 50 years in teaching as well as extensive knowledge of children s literature and the review of such books the book provides in a single resource the best in recently published picture book biographies that rely on primary and secondary sources the best in storytelling styles and the most engaging illustrations The unit and lesson ideas within can be used as is or modified as needed The selected biographies enable connections between the stories of individuals lives in history and required areas of study

Speak with the Earth and It Will Teach You Daniel Cooperrider,2022-11-30 I don t think it is enough appreciated how much an outdoor book the Bible is wrote Wendell Berry and author Daniel Cooperrider illustrates his point with beautiful narrative like a stroll through the woods Speak with the Earth analyzes the Bible s treatment of nature and intersperses this analysis with the author s own reflections on experiences in nature Organized in sections touching on the four elements the book engages with the multifaceted relationship between the Bible and nature through various media including art theology the natural sciences history and lived experience A timely work on the gift of the Earth that makes a strong case for environmental conservation as a cornerstone of religious life

Wangari Speaks Out Wangari Maathai,2023-09-05 Wangari Maathai was the first African woman and first environmentalist to receive a Nobel Peace Prize In 1977 in Kenya she started the Green Belt Movement Wangari s goals had been to use tree planting to restore the environment while providing income and resources to African women The group s objectives broadened to the protection of human and environmental rights civic education and the promotion of democratic values while valuing the cultural heritage of Africa The GBM has now planted tens of millions of trees In her acceptance speech Wangari explains that the state of any country s environment is a reflection of the kind of governance in place and without good governance there can be no peace The efforts of the GBM and other organizations led to the peaceful transition to a democratic society in Kenya

and the tree became a symbol of the democratic struggle Her speech is strikingly illustrated and followed by an analysis written by Laia de Ahumada The Speak Out series publishes the most inspiring speeches of our times then deconstructs them to give young readers a deeper understanding of global issues and the power of language to influence them Key Text Features biographical information definitions explanation facts headings historical context illustrations informational note Correlates to the Common Core State Standards in English Language Arts CCSS ELA LITERACY RI 4 2 Determine the main idea of a text and explain how it is supported by key details summarize the text CCSS ELA LITERACY RI 6 3 Analyze in detail how a key individual event or idea is introduced illustrated and elaborated in a text e g through examples or anecdotes CCSS ELA LITERACY RI 6 6 Determine an author s point of view or purpose in a text and explain how it is conveyed in the text CCSS ELA LITERACY RI 6 9 Compare and contrast one author s presentation of events with that of another e g a memoir written by and a biography on the same person

Exploring Nonfiction Literacies Vivian Yenika-Agbaw,Ruth McKoy Lowery,Laura Anne Hudock,Paul H. Ricks,2018-07-27 This book recognizes nonfiction text as a staple part of the literacy curriculum and advocates that educators include it in their daily practices It offers innovative ideas on how these texts can be used to nurture literacy acquisition growth and fluency in and out of the classroom *Old Words for a New World* Walter Brueggemann,2025-02-04 Walter Brueggemann has been so effective for so long precisely because he has consistently called upon the church to see beyond the taken for granted realities it confronts by imagining God s alternative reality to recognize that the bars of its entrapment were social constructs and could just as easily be deconstructed so we could be once again enchanted by God s good news To challenge the taken for granted reality of the church and to imagine an alternative reality Brueggemann consistently takes us back to the biblical text He moves between a description of the reality that appears in front of the church and the alternative that God is preparing for God s people that begins now and moves into God s eschatological future In so doing Brueggemann seeks to unleash the power of God s words to create a new world here and now *Radical Utu* Besi Brillian Muhonja,2020-06-09 Wangari Muta Maathai was a scholar activist known for founding the Green Belt Movement an environmental campaign that earned her the Nobel Peace Prize While many studies of Maathai highlight her activism few examine Maathai as a scholar whose contributions to various disciplines and causes spanned more than three decades In *Radical Utu* Critical Ideas and Ideals of Wangari Muta Maathai Besi Brillian Muhonja presents the words and works of Maathai as theoretical concepts attesting to her contributions to gender equality democratic spaces economic equity and global governance and indigenous African languages and knowledges Muhonja s well rounded portrait of Maathai s ideas offers a corrective to the one dimensional characterization of Maathai typical of other works
