Allan Moseley,2000-02-01 This book will irritate you If it doesn't the writer hasn't done his job

Not that his job is to irritate mind you Allan Moseley s job as author and our job as publisher is to communicate truth But sometimes the communication and the truth may irritate just a little It may make us uncomfortable Or it may make us very angry Say what you will about Jesus of Nazareth but you cannot say that He never irritated people or that His message does not continue to irritate people today He irritated the scribes and Pharisees so much they handed Him over to be crucified He irritated the people in His own home town such that they mocked Him refused to believe His message and then threw Him out of the town Even His own brothers did not believe in Him And so Jesus continues to irritate people today In Worldviews at War Allan Moseley preaches conformance to Jesus and His Word in every area of life and society So is it any wonder that this message will also irritate each of us No you actually come to expect it We can say all of this with some element of experience You see Allan Moseley s book irritated us so much that we had to publish it That wasn t our first reaction of course Our first reaction was If we publish this book somebody s going to sue us Our second reaction was Wait a minute The publisher that rejected this manuscript before we saw it publishes all those so called Christian books the ones with all the depth of a bird bath Maybe we d better take another look at this So we did And we re glad we did Allan Moseley doesn t pull any punches He points some fingers He names some names And he shows the damage done to people and our society by attitudes and actions which are not in conformity to Christ and His culture even if those attitudes are held by professing Christians And so his message is more than a little irritating But it s a good type of irritation We hope that you find it s the type of irritation an engineer has when he finds that a piece of equipment he is responsible for is out of alignment The engineer is irritated a bit He moves to correct the problem He makes the equipment line up with specifications God s specification manual is the Bible Allan Moseley calls us to line up our hearts actions and attitudes right down to the fundamental laws we live by with God s specification manual Always interesting but not always easy to take to heart Worldviews at War will challenge you in every area of your life [America Noir](#) David Cochran,2016-06-21 In America Noir David Cochran details how ten writers and filmmakers challenged the social pieties prevalent during the Cold War such as the superiority of the American democracy the benevolence of free enterprise and the sanctity of the suburban family Rod Serling s The Twilight Zone featured victims of vast faceless bureaucratic powers Jim Thompson s noir thrillers such as The Grifters portrayed the ravages of capitalism on those at the bottom of the social ladder Patricia Highsmith in The Talented Mr Ripley placed an amoral con man in an international setting implicitly questioning America s fitness as leader of the free world Charles Willeford s pulp novels such as Wild Wives and Woman Chaser depicted the family as a hotbed of violence and chaos These artists pioneered a detached ironic sensibility that radically juxtaposed cultural references and blurred the distinctions between high and low art Their refusal to surrender to the pressures for political conformity and their unflinching portrayal of the underside of American life paved the way for the emergence of a 1960s counterculture that forever changed the way America views itself [The Big Book of Modern Fantasy](#) Ann Vandermeer,Jeff
