

ORCS & GOBLINS

Orc & Goblin armies seek to hack down, smash up, or chop apart anything in their way, and that's just for starters. These green-skinned invaders combine brutal aggression (the war-like Orcs) with a low sneaky cunning (the backstabbing Goblins). Put them together in the same force, along with bone-crunching Giants, loathsome Trolls and devastating war machines, and you have the makings of a Waaagh! – a greenskin invasion that will conquer and crush all in its path!

Inside you will find:

- A bestiary describing every unit, monster, hero and war machine in the army.
- An army list to arrange your collection of Citadel miniatures into a battle-ready force.
- A showcase of the expertly painted range of Orc & Goblin Citadel miniatures.

Warhammer: Orcs & Goblins is one of a series of supplements for Warhammer. Each book in the series describes in detail an army, its history and its heroes.
