HARRY SIDEBOTTOM

Warrior Of Rome Iii Lion Of The Sun

Richard A. Gabriel

Warrior Of Rome Iii Lion Of The Sun:

Lion of the Sun Harry Sidebottom, 2011-10-27 Mesopotamia AD 260 Betrayed by his most trusted adviser the Roman Emperor Valerian has been captured by the Sassanid barbarians *Lion of the Sun* Harry Sidebottom, 2011-10-27 The empire is at the brink of destruction as a loyal general vows revenge in this thrilling impeccably researched epic of third century Rome When Emperor Valerian is defeated in Mesopotamia the entire Roman Empire is at risk of crumbling The shame of the vanquished beats down mercilessly as the frail old emperor prostrates himself before the Persian leader Shapur King of Kings General Ballista looks on helplessly but vows under his breath to punish those who have brought the empire so low with their treachery Before he can take his revenge Ballista must decide what price he will pay for his own freedom Only the fearless and only those whom the gods will spare from hell can now save the empire from a catastrophic ending Ballista the Warrior of Rome faces his greatest challenge yet Renowned for their skilled blending of action and historical accuracy Sidebottom's Warrior of Rome novels take the reader from the shouts of the battlefield to the whisperings of the emperor's inner circle Endnotes and an extensive bibliography reveal the fascinating research and scholarship brought to life in this exciting tale

Warrior of Rome I: Fire in the East Harry Sidebottom, 2009-04-01 AN EPIC STORY OF EMPIRE HEROES TREACHERY COURAGE AND MOST OF ALL BRUTAL BLOODY WARFARE Enthralling and exciting you will struggle to put this book down 5 READER REVIEW A cracking story Sidebottom's detailed knowledge of the period is remarkable 5 READER REVIEW _____ The year is AD 255 The Roman Imperium is stretched to breaking point with its might and authority challenged along every border The greatest threat lies in Persia to the east where the massing forces of the Sassanid Empire loom with fiery menace There the isolated Roman citadel of Arete awaits inevitable invasion One man is sent to marshal the defences and shore up crumbling walls A man whose name itself means war Ballista Alone Ballista is called to muster the forces and the courage to stand first and to stand hard against the greatest enemy ever to confront the Imperium With a spectacular flair for sheer explosive action and knuckle whitening drama fans of Bernard Cornwell will love this recreation of the ancient world Praise for Harry Sidebottom Sidebottom's prose blazes with searing scholarship The Times The best sort of red blooded historical fiction Andrew Taylor author of *The American Boy* [God's Generals](#) Richard A. Gabriel, 2016-09-19 It is one of the more startling facts of military history that the founders of three of the four great religions Judaism Buddhism and Islam were also accomplished field generals with extensive experience in commanding men in battle One of these Muhammad fought eight battles and was wounded twice once almost fatally Another Siddhartha Gautama later to become the Buddha witnessed so much battlefield carnage that he suffered a psychological collapse Moses had become so much a god intoxicated personality it is a reasonable suspicion that he like the Buddha was murdered Indeed had the experiences of these men in war not been so successful it is quite possible that their achievements as religious leaders would never have occurred For all three war and religion were so closely intertwined in their personalities that it is difficult to discern where

the influence of one ended and the other began This book attempts to explore the military lives of Moses the Buddha and Muhammad and the role their war experiences played in their religious lives The Madness of Alexander the Great Richard A. Gabriel,2015-03-31 Over the years some 20 000 books and articles have been written about Alexander the Great the vast majority hailing him as possibly the greatest general that ever lived Richard A Gabriel however argues that while Alexander was clearly a succesful soldier adventurer the evidence of real greatness is simply not there The author presents Alexander as a misfit within his own warrior society attempting to overcompensate Thoroughly insecure and unstable he was given to episodes of uncontrollable rage and committed brutal atrocities that would today have him vilified as a monstrous psychopath The author believes some of his worst excesses may have been due to what we now call Post Traumatic Stress Disorder of which he displays many of the classic symptoms brought on by extended exposure to violence and danger Above all the author thinks that Alexander s military ability has been flattered by History Alexander was tactically competent but contributed nothing truly original while his strategy was often flawed and distorted by his obsession with personal glory This radical reappraisal is certain to provoke debate **The Warrior's Way** Richard A. Gabriel,Canadian Defence Academy,2007

Scipio Africanus Richard A. Gabriel,2008-06-30 The world often misunderstands its greatest men while neglecting others entirely Scipio Africanus surely the greatest general that Rome produced suffered both these fates Today scholars celebrate the importance of Hannibal even though Scipio defeated the legendary general in the Second Punic War and was the central military figure of his time In this scholarly and heretofore unmatched military biography of the distinguished Roman soldier Richard A Gabriel establishes Scipio s rightful place in military history as the greater of the two generals Before Scipio few Romans would have dreamed of empire and Scipio himself would have regarded such an ambition as a danger to his beloved republic And yet paradoxically Scipio s victories in Spain and Africa enabled Rome to consolidate its hold over Italy and become the dominant power in the western Mediterranean virtually ensuring a later confrontation with the Greco Macedonian kingdoms to the east as well as the empire s expansion into North Africa and the Levant The Roman imperium was being born and it was Scipio who had sired it Gabriel draws upon ancient texts including those from Livy Polybius Diodorus Silius Italicus and others as primary sources and examines all additional material available to the modern scholar in French German English and Italian His book offers a complete bibliography of all extant sources regarding Scipio s life The result is a rich detailed and contextual treatment of the life and career of Scipio Africanus one of Rome s greatest generals if not the greatest of them all *Muhammad* Richard A. Gabriel,2014-10-22 That Muhammad succeeded as a prophet is undeniable a prominent military historian now suggests that he might not have done so had he not also been a great soldier Best known as the founder of a major religion Muhammad was also Islam s first great general While there have been numerous accounts of Muhammad the Prophet this is the first military biography of the man In Muhammad Islam s First Great General Richard A Gabriel shows us a warrior never before seen in antiquity a leader of an all new religious movement

who in a single decade fought eight major battles led eighteen raids and planned thirty eight other military operations Gabriel's study portrays Muhammad as a revolutionary who introduced military innovations that transformed armies and warfare throughout the Arab world Gabriel analyzes the environment in which Muhammad lived and the religion he inspired as they relate to his military achievements Gabriel explains how Muhammad changed the social composition of Arab armies by replacing traditional ways of fighting with a new command structure Muhammad's transformation of Arab warfare enabled his successors to establish the core of the Islamic empire an accomplishment that Gabriel argues would have been militarily impossible without Muhammad's innovations Richard A Gabriel challenges existing scholarship on Muhammad's place in history and offers a viewpoint not previously attempted Carey's Library of Choice Literature, 1836 *Lion Rugs* Parviz Tanavoli, 1985 V lkerkundemuseum der Universit t Z rich 20 September 1985 Januar 1986 Spurgeon's Sermons Volume 09: 1863 Charles Haddon Spurgeon, Soldiers' Lives through History - The Ancient World Richard A. Gabriel, 2006-11-30 Once warfare became established in ancient civilizations it's hard to find any other social institution that developed as quickly In less than a thousand years humans brought forth the sword sling dagger mace bronze and copper weapons and fortified towns The next thousand years saw the emergence of iron weapons the chariot the standing professional army military academies general staffs military training permanent arms industries written texts on tactics military procurement logistics systems conscription and military pay By 2 000 B C E war was an important institution in almost all major cultures of the world This book shows readers how soldiers were recruited outfitted how they fought and how they were cared for when injured or when they died It covers soldiers in major civilizations from about 4000 B C E to about 450 C E Topics are discussed cross culturally drawing examples from several of the cultures armies and time periods within each chapter in order to provide the reader with as comprehensive an understanding as possible and to avoid the usual Western centric perspective too common in analyses of ancient warfare **Many Heads, Arms and Eyes** Doris Meth Srinivasan, 2024-03-25 One of the first things that strike the Western viewer of Indian art is the multiplicity of heads arms and eyes This convention grows out of imagery conceived by Vedic sages to explain creation This book for the first time investigates into the meaning of this convention The author concentrates on its origins in Hindu art and on preceding textual references to the phenomenon of multiplicity The first part establishes a general definition for the convention Examination of all Brahmanical literature up to and sometimes beyond the 1st 3rd century A D adds more information to this basic definition The second part applies this literary information mainly to icons of the Yaksha iva V sudeva K s a and the Goddess and indicates how Brahmanical cultural norms exemplified in Mathur can transmit textual symbols Both Part I and Part II provide iconic modules and a methodology to generate interpretations for icons with this remarkable feature through the Gupta age Pelham Novels: Containing Pelham Edward Bulwer Lytton Baron Lytton, 1837 Pelham Novels Edward Bulwer Lytton Baron Lytton, 1862 **The Numismatic Circular and Catalogue of Coins, Tokens, Commemorative & War Medals,**

Books & Cabinets Spink & Son,1908 *Godey's Lady's Book* Louis Antoine Godey,Sarah Josepha Buell Hale,1853 Includes music **Catalogue of the Highly Important, Fine & Extensive Collection of Roman Imperial Large-Brass Medals** Francis Hobler,2023-02-15 Reprint of the original The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost *Holy Beasts* Laura Anderson,AI,2025-02-27 *Holy Beasts* explores the profound connection between animals and the spiritual realm across diverse cultures and throughout history It examines how animal symbolism and animal archetypes have shaped religious beliefs from ancient animal veneration to modern perspectives on animal rights and environmental ethics Discover how the powerful bull the cunning serpent and other sacred animals have influenced human spirituality The book investigates the origins of animal veneration tracing it back to early human societies It also identifies recurring animal archetypes in religions analyzing their symbolic meanings and narratives By drawing upon historical accounts anthropological studies and religious texts *Holy Beasts* proposes that the veneration of animals reflects a fundamental human desire to connect with forces beyond ourselves The book begins by introducing core concepts of animal symbolism and religious beliefs It then progresses through thematic chapters exploring animals as symbols of power messengers and even negative forces This exploration culminates in a discussion of contemporary issues such as animal rights and environmental ethics in light of these historical and religious perspectives This holistic approach makes it accessible to a broad audience **Wallace's Farm and Dairy** ,1926

Ignite the flame of optimism with is motivational masterpiece, Fuel Your Spirit with **Warrior Of Rome Iii Lion Of The Sun** . In a downloadable PDF format (*), this ebook is a beacon of encouragement. Download now and let the words propel you towards a brighter, more motivated tomorrow.
