Washington Pharmacy Law A User Guide 2015:

Introduction to Public Health in Pharmacy Bruce Levin, Ardis Hanson, Peter D. Hurd, 2018-02-28 Introduction to Public Health in Pharmacy Second Edition takes an approach that is both global and local Macro level examinations of health care systems and funding mechanisms around the world and advice for culturally competent client centered communication regarding nutrition and proper self administration of medications encapsulate pharmacists dual roles as guardians of global public health and providers of personalized care Written in accordance with the latest guidelines from the Center for the Advancement of Pharmacy Education Introduction to Public Health in Pharmacy Second Edition offers an accessible introduction for pharmacy students and a comprehensive refresher for pharmacists already in practice Ethics in Pharmacy Practice: A Practical Guide Dennis M. Sullivan, Douglas C. Anderson, Justin W. Cole, 2021-06-16 This textbook offers a unique and accessible approach to ethical decision making for practicing pharmacists and student pharmacists Unlike other texts it gives clear guidance based on the fundamental principles of moral philosophy explaining them in simple language and illustrating them with abundant clinical examples and case studies The strength of this text is in its emphasis on normative ethics and critical thinking and that there is truly a best answer in the vast majority of cases no matter how complex The authors place high trust in a pharmacist s moral judgment This teaches the reader how to think based on ethical principles not necessarily what to think This means navigating between the two extremes of overly theoretical and excessively prescriptive The cogent framework given in this text uses the language of competing duties identifying the moral principles at stake that create duties for the pharmacist This is the balancing act of normative ethics and of deciding which duties should prevail in a given clinical situation This work presents a clear cut pathway for resolving ethical dilemmas encountered by pharmacists based on foundational principles and critical thinking Presents a clear cut pathway for resolving the ethical dilemmas encountered by pharmacists based on foundational principles and critical thinking Jon E Sprague RPh PhD Director of Science and Research for the Ohio Attorney General *Pharmaceutical Public Policy* Thomas R. Atkinson, Michael Lind, 2019-02-26 Why small business is not the basis of American prosperity not the foundation of American democracy and not the champion of job creation In this provocative book Robert Atkinson and Michael Lind argue that small business is not as is widely claimed the basis of American prosperity Small business is not responsible for most of the country's job creation and innovation American democracy does not depend on the existence of brave bands of self employed citizens Small businesses are not systematically discriminated against by government policy makers Rather Atkinson and Lind argue small businesses are not the font of jobs because most small businesses fail The only kind of small firm that contributes to technological innovation is the technological start up and its success depends on scaling up The idea that self employed citizens are the foundation of democracy is a relic of Jeffersonian dreams of an agrarian society And governments motivated by a confused mix of populist and free market ideology in fact go out of their way to promote small business Every modern president has sung the praises of small business and every modern president according to Atkinson and Lind has been wrong Pointing to the advantages of scale for job creation productivity innovation and virtually all other economic benefits Atkinson and Lind argue for a size neutral policy approach both in the United States and around the world that would encourage growth rather than enshrine an anachronism If we overthrow the small is beautiful ideology we will be able to recognize large firms as the engines of progress and prosperity that they are *Pharmacy* William N.
