The English Catalogue of Books , 1901 *ALICIA II (English Edition)* Robert Thurston, 2022-05-31 In the not distant future the world hasn t changed so much men and women still fall in love laugh and sip wine but some have changed some will live forever as retreads old souls implanted surgically in the empty bodies of the young Voss Geraghty is a retread a

retiring government researcher who has been rewarded with a new body What he wants out of his new life is fun sex and adventure what he finds is disappointment But there s a growing radical underground that sees the inequity in a society that allows the young to die so that the old may live on Alicia II is the undisputed science fiction masterpiece by Robert Thurston 28 Oktober 1936 in Lockport New York 20 Oktober 2021 in Ridgefield Park New Jersey and was first published in 1978 Apex is publishing a new edition of this classic novel in its ENGLISH SCIENCE FICTION NOVELS series **New Bearings in English Poetry** F. R. Leavis, 2015-07-16 It is difficult now to imagine the shock that this book caused when it was first published in 1932 The author was a teacher at a Cambridge college an intensely serious man who had been seriously wounded by poison gas on the Western Front and he was not disposed to suffer foolishness gladly His opening sentences were arresting Poetry matters little to the modern world That is very little of contemporary intelligence concerns itself with poetry What followed was nothing less than the welcoming of a revolution in English verse set against the moral and social crisis that followed the trauma of the First World War It was this situation this feeling of breakdown and disorder that gave such force to Leavis s dismissal of most late Romantic poetry and his welcoming of the modernists T S Eliot and Ezra Pound and of the writer who Leavis regarded as their forebear Gerard Manley Hopkins The tone of high moral urgency and the message that the experience of literature could become an engagement with life that was almost a secular equivalent to religion seemed new and abrasively refreshing Leavis despised the reigning dilettantism in both poetry and criticism and in this book he threw down the gauntlet to the establishment as he understood it In the same year he founded the journal Scrutiny and began his long career as the most formidably serious literary critic of his time
