Reimagining Delilah's Afterlives as Femme Fatale Caroline Blyth,2017-10-05 The story of Samson and Delilah in Judges 16 has been studied and retold over the centuries by biblical interpreters artists musicians filmmakers and writers Within these scholarly and cultural retellings Delilah is frequently fashioned as the quintessential femme fatale the shamelessly seductive fatal woman whose sexual treachery ultimately leads to Samson s downfall Yet these ubiquitous portrayals of Delilah as femme fatale tend to eclipse the many other viable readings of her character that lie underexplored within the ambiguity laden narrative of Judges 16 interpretations that offer alternative and more sympathetic portrayals of her biblical persona In Reimagining Delilah s Afterlives as Femme Fatale Caroline Blyth guides readers through an in depth exploration of Delilah s afterlives as femme fatale in both biblical interpretation and popular culture tracing the social and historical factors that may have inspired them She then considers alternative afterlives for Delilah s character using as inspiration both the Judges 16 narrative and a number of cultural texts which deconstruct traditional understandings of the femme fatale thereby inviting readers to view this iconic biblical character in new and fascinating lights Firestorm Nancy Holzner,2017-05-16 They call it Deadtown Boston s quarantined section for its inhuman and undead residents Most humans stay far from its borders but Victory Vaughn the city s only professional demon slayer isn t exactly human When Vicky allowed an ancient goddess Ceridwen to possess her she had no regrets it was the only way to protect the people she loved But now she s got two supernatural beings possessing her body to use her for their own means leaving her with little free will of her own and more demonic trouble than she cares to deal with Despite the forces pulling her apart Vicky needs all her wits about her The demons of Hell are growing bold and she can barely keep up with the attacks plaguing the city sirens in the Mystic River goblins snarling traffic on Storrow Drive imps tearing the gold from the State House dome As the signs of war multiply and Hell threatens to overrun its boundaries Vicky finds herself torn between her duty to save the world and her desire to save something of herself Praise for the Deadtown series Nancy Holzner is a master of characterization Ilona Andrews New York Times bestselling author of Magic Bites Fresh and funny with a great take on zombies Karen Chance New York Times bestselling author of Reap the Wind All urban fantasy lovers should be reading this superb series Bitten by Books
