In the small village of Liscarroll, the young boy helped his family run a sanctuary for abandoned and abused donkeys. Struggling in school, Patrick only felt truly accepted in the presence of these funny, fuzzy, touching animals. It was like magic how he and the donkeys understood each other. He became a true donkey whisperer, reading their body language, communicating with them in ways they could understand, and teaching himself how to speak in their distinctive calls. But when Patrick was of age, he shipped out with the Irish Army and encountered unimaginable wartime horrors in Lebanon and
