Stormy Night By Michele Lemieux:

Stormy Night Michèle Lemieux, 1999 While she is sleeping a girl has strange thoughts and dreams *The Philosophical Child* Jana Mohr Lone, 2012-09-16 What does it mean to be good Why do people die What is friendship Children enter the world full of questions and wrestle with deep thoughtful issues even if they do not always wonder them aloud Many parents have the desire to discuss philosophical ideas with their children but are unsure how to do so *The Philosophical Child* offers parents guidance on how to gently approach philosophical questions with children of all ages Jana Mohr Lone argues that for children to mature emotionally they must develop their desire and ability to think abstractly about themselves and their experiences This book suggests easy ways that parents can engage with their children's philosophical questions and help them develop their philosophical selves

The Queerness of Childhood Anna Fishzon, Emma Lieber, 2022-07-21 This book represents a meeting of queer theorists and psychoanalysts around the figure of the child Its intention is not only to interrogate the discursive work performed on and by the child in these fields but also to provide a stage for examining how psychoanalysis and queer theory themselves interact with the understanding that the meeting of these discourses is most generative around the queer time and sexualities of childhood From the theoretical perspectives of queer theory psychoanalysis anthropology and gender studies the chapters explore cultural aesthetic and historical forms and phenomena that are aimed at or are about children and that give expression to and make room for the queerness of childhood

Festivalising! Temple Hauptfleisch, 2007 Throughout the world festivals are growing in numbers in size in significance and serve as spaces where aesthetic encounters religious and political celebrations economic investments and public entertainment can take place In this sense festivals are theatrical events Exploration of the theoretical frames of reference for the discussion about the present festival culture Survey of 14 festival events throughout the world *Theory for Beginners* Kenneth B. Kidd, 2020-11-03 Since its inception in the 1970s the Philosophy for Children movement P4C has affirmed children's literature as important philosophical work Theory meanwhile has invested in children's classics especially Lewis Carroll's Alice books and has also developed a literature for beginners that resembles children's literature in significant ways Offering a novel take on this phenomenon *Theory for Beginners* explores how philosophy and theory draw on children's literature and have even come to resemble it in their strategies for cultivating the child and or the beginner Examining everything from the rise of French Theory in the United States to the crucial pedagogies offered in children's picture books from Alison Bechdel's graphic memoir *Are You My Mother* and Lemony Snicket's *A Series of Unfortunate Events* to studies of queer childhood Kenneth B Kidd deftly reveals the way in which children may learn from philosophy and vice versa *Educating from the Heart* Aostre N. Johnson, Marilyn Webb Neagley, 2011-06-16 *Educating from the Heart* Theoretical and Practical Approaches to Transforming Education is based on the questions What does it mean to educate from the heart What does it mean to educate with spirit It offers both theoretical overviews and practical approaches for

educators academics education students and parents who are interested in transforming schools Well respected voices in the field of education provide a framework that includes recent findings from the world of neuroscience as well as fresh perspectives about traditional wisdom Practicing educators describe methods directly applicable in classrooms In addition many chapters emphasize the importance of educators attending to their own inner lives The book encourages reinvigorating approaches to learning and teaching that can easily be integrated into both public and private K 12 school classrooms with many ideas also applicable to higher education It supports an educational system based on the beliefs that heart and spirit are intertwined with mind and intellect and that inner peace wisdom compassion and conscience can be developed together with academic content and skills
