## Story Sequence Picture Cards Esl:

Sandy's Picture Stories Sandra Price-Hosie, 2016-04-08 Sandy's Picture Stories is designed for busy teachers of Beginner ESL. Each Unit is based on a topic useful for new immigrants like The Noisy Neighbor or The Burglar. Every Unit begins with a series of pictures meant to be copied on to light card stock and cut into card sets. This is followed by a randomized card set of key words and another of sentences. Students are meant to sequence the pictures and invent the story, then match key words to pictures and revise their story. More advanced students can match the pictures with the sentence cards and to read the story to a partner. This is followed by a correct sentence sequence so students can read it silently and orally and adjust their picture stories if needed. Next we have a word scramble to reinforce vocabulary learning and scrambled sentences to build grammar and syntax awareness. The unit concludes with a listening exercise to further reinforce learning. The total two hour lesson is quick and easy to prepare yet is engaging and involving so students participate eagerly. This is a handy book that all teachers of Beginner ESL will want to have. *Scholastic Literacy Place*, 1996 **Literacy Place**, 1996

Ready-to-use ESL Activities for Every Month of the School Year Carol A. Josel, 2002 This unique hands-on resource provides more than 200 student worksheets and teacher-directed activities to help elementary students learn English as a second language. The activities provide real experiences to build students' knowledge through techniques that offer review, expansion, connection, and reinforcement. Organized into 10 monthly sections to fit the school year, Ready to Use ESL Activities for Every Month of the School Year helps students acquire English naturally by focusing on the how-to aspect of things, not just on how to describe them. For your convenience, the materials are printed in a big 8 1/4 x 11 lay-flat binding that opens flat for easy photocopying of activity pages for your class. Each month contains a full array of delightfully illustrated activities based on a Natural Language Acquisition approach to language development and offers more than the usual reading and writing activities children experience: art, cooking, music, gardening, and drama through Mother Goose rhymes, fairy tales, and other story frames. Teacher notes and additional activities complete each month's offering of learning experiences with reproducible pages. Book jacket **Supporting English Learners in the Classroom** Eric M.
