Dangerous Innocence

William P. Murray, 2024-04-03 Dangerous Innocence investigates how prevailing constructions of white masculinity in the U S South help feed and reinforce systems of racial inequity Tracing the rise of the southern outsider in literature and on television from 1960 to 2020 William P Murray probes white Americans enduring desire to assert their own blamelessness even though such acts of self justification facilitate continued violence against historically oppressed populations Dangerous Innocence courses from popular television such as The Andy Griffith Show and The Waltons through influential fiction by Eudora Welty Walker Percy and other prominent southern authors alongside forceful challenges voiced by Black writers including Chester Himes and Ernest Gaines before turning to works created after the September 11 attacks that reinscribe cultural logics predicated on protecting white innocence and power Concluding on a note of praxis Dangerous Innocence argues that reattaching southern outsiders to a communal identity encourages an honest assessment about what whiteness represents and what it means to belong to a nation steeped in commitments to white supremacy

Thirteen Ghosts in the Garden of Forgetting

Alyssa Greer, 2024-12-17 Two sisters A haunted garden Thirteen seeds that will change everything Estranged sisters Juniper and Elowen Vance return to their grandmother s crumbling Oregon estate after her death a house choked by creeping ivy and years of unspoken words Elara Moss a woman whispered to possess an unnatural affinity for the natural world has left them more than just a home filled with bittersweet memories she s left them a garden steeped in folklore and rumored to be touched by magic Within its overgrown depths the sisters unearth a small wooden box containing thirteen seed packets each labeled with a single potent word Regret First Love Joy Loss and Grief These aren t just seeds they re keys to unlocking the garden s deepest secrets and the buried emotions within the sisters themselves With each seed they plant a new facet of the enchanted garden reveals itself A luminous vine blooms with the melody of a childhood lullaby A thorny tree bears fruit that plunges Elowen into vivid visions of what might have been A shimmering pool reflects forgotten dreams and a weeping willow whispers long held family secrets As Juniper and Elowen navigate this otherworldly landscape they begin to confront their own unresolved issues and rediscover the bond they once shared But the garden offers more than healing it harbors a darkness The accidental planting of the Grief seed unleashes a chilling transformation Vibrant colors fade the singing vine falls silent and a spectral figure emerges from the deepening shadows Thirteen the caretaker of lost things He reveals that the seed of Grief if left unchecked will consume not only the garden but also their memories leaving them adrift in an endless void The garden once a sanctuary becomes a perilous battleground Haunted by spectral echoes of their ancestors and pursued by the encroaching darkness Juniper and Elowen must decipher cryptic messages unravel the secrets of their grandmother s magic and confront the true nature of Thirteen Their fragile reconciliation is tested as they race against time to contain the Grief before it devours everything they hold dear In a climactic ritual within the garden s heart the sisters must make a painful choice sacrifice their

memories or find another way a path that requires a deeper understanding of grief and the acceptance of loss Their journey becomes a testament to the enduring power of memory the cyclical nature of life and death
