Storytelling in the Media Convergence Age R. Pearson,A. Smith,2014-12-18 Why do screen narratives remain so different in an age of convergence and globalisation that many think is blurring distinctions This collection attempts to answer this question using examples drawn from a range of media from Hollywood franchises to digital comics and a range of countries from the United States to Japan

**Storytelling Industries** Anthony N. Smith,2018-06-28 This book shows how the unique characteristics of traditionally differentiated media continue to determine narrative despite the recent digital convergence of media technologies The author argues that media are now each largely defined by distinctive industrial practices that continue to preserve their identities and condition narrative production Furthermore the book demonstrates how a given medium s variability in institutional and technological contexts influences diverse approaches to storytelling By connecting US film television comic book and video game industries to their popular fictional characters and universes including Star Wars Batman Game of Thrones and Grand Theft Auto the book identifies how differences in industrial practice between media inform narrative production This book is a must read for students and scholars interested in transmedia storytelling

Transmedia Storytelling in East Asia Dal Yong Jin,2020-04-02 This book offers a thorough investigation of the recent surge of webtoons and manga animation as the sources of transmedia storytelling for popular culture not only in East Asia but in the wider global context An international team of experts employ a unique theoretical framework of media convergence supported by transmedia storytelling alongside historical and textual analyses to examine the ways in which webtoons and anime become some of the major sources for transmedia storytelling The book historicizes the evolution of regional popular culture according to the surrounding digital media ecology driving the change and continuity of the manhwa industry over the past 15 years and discusses whether cultural products utilizing transmedia storytelling take a major role as the primary local cultural product in the cultural market Offering new perspectives on current debates surrounding transmedia storytelling in the cultural industries this book will be of great interest to scholars and students of media studies East Asian studies and cultural studies

*Theoretical Perspectives on Fan Scholarship in the Franchise Era* Sophie Charlotte Goor, 2025-10-01 This book is a practical and theoretical guide for anyone interested in researching popular media popular culture audiences and fans Unlike most books *Theoretical Perspectives* does not talk about media texts or fan communities Instead it critically explores the workings of fan scholarship research on popular media and fan culture done by scholars who are often fans themselves showing and challenging how we have constructed certain ideas about what fans and fandom are and how to study them as a fan Analysing scholarship on two transmedia franchises The Marvel Cinematic Universe and the BBC's *Sherlock* with the help of extensive international participant discussion *Theoretical Perspectives* explores and unravels established popular theoretical frameworks and value systems on taste and legitimacy subversion filtering and safe spaces neoliberal capitalist realism and fannish dispositions to offer new approaches for anyone who wants

to create a better understanding of fans fandom and themselves

Transmedial Narratology and Contemporary Media Culture Jan-Noël Thon, 2016-06 Narratives are everywhere and since a significant part of contemporary media culture is defined by narrative forms media studies need a genuinely transmedial narratology Against this background Transmedial Narratology and Contemporary Media Culture focuses on the intersubjective construction of storyworlds as well as on prototypical forms of narratorial and subjective representation This book provides not only a method for the analysis of salient transmedial strategies of narrative representation in contemporary films comics and video games but also a theoretical frame within which medium specific approaches from literary and film narratology from comics studies and game studies and from various other strands of media and cultural studies may be applied to further our understanding of narratives across media

*Woman Up* Julia Havas, 2022-03-15 Critically analyzes the discursive relationship between cultural value and popular feminism in American television While American television has long relied on a strategic foregrounding of feminist politics to promote certain programming s cultural value *Woman Up* Invoking Feminism in Quality Television is the first sustained critical analysis of the twenty first century resurgence of this tradition In *Woman Up* Julia Havas s central argument is that postmillennial feminist quality television springs from a rhetorical subversion of the much debated masculine coded quality television culture on the one hand and the dominance of postfeminist popular culture on the other Postmillennial quality television culture promotes the idea of aesthetic generic hierarchies among different types of scripted programming Its development has facilitated evaluative academic analyses of television texts based on aesthetic merit producing a corpus of scholarship devoted to pinpointing where value resides in shows considered worthy of discussion Other strands of television scholarship have criticized this approach for sidestepping the gendered and classed processes of canonization informing the phenomenon *Woman Up* intervenes in this debate by reevaluating such approaches and insisting that rather than further fostering or critiquing already prominent processes of canonization there is a need to interrogate the cultural forces underlying them Via detailed analyses of four TV programs emerging in the early period of the feminist quality TV trend *30 Rock* 2006 13 *Parks and Recreation* 2009 15 *The Good Wife* 2009 16 and *Orange Is the New Black* 2013 19 *Woman Up* demonstrates that such series mediate their cultural significance by combining formal aesthetic exceptionalism and a politicized rhetoric around a problematic postfeminism thus linking ideals of political and aesthetic value *Woman Up* will most appeal to students and scholars of cinema and media studies feminist media studies television studies and cultural studies

**Watching Sympathetic Perpetrators on Italian Television** Dana Renga, 2019-02-11 This book offers the first comprehensive study of recent popular Italian television Building on work in American television studies audience and reception theory and masculinity studies *Sympathetic Perpetrators and their Audiences on Italian Television* examines how and why viewers are positioned to engage emotionally with and root for Italian television antiheroes Italy s most popular exported series feature alluring and attractive criminal antiheroes offer fictionalized accounts of historical events or figures

and highlight the routine violence of daily life in the mafia the police force and the political sphere Renga argues that Italian broadcasters have made an international name for themselves by presenting dark and violent subjects in formats that are visually pleasurable and for many across the globe highly addictive Taken as a whole this book investigates what recent Italian perpetrator television can teach us about television audiences and our viewing habits and preferences

**World Building** Marta Boni, 2025-10-01 Thanks to modern technology we are now living in an age of multiplatform fictional worlds as television film the Internet graphic novels toys and more facilitate the creation of diverse yet compact imaginary universes which are often recognisable as brands and exhibit well defined identities This volume situated at the cutting edge of media theory explores this phenomenon from both theoretical and practical perspectives uncovering how the construction of these worlds influences our own determination of values and meaning in contemporary society

**Transmedia/Genre** Matthew Freeman, Anthony N. Smith, 2023-02-05 This book brings genre back to the forefront of the current transmedia trend Genres are perhaps the most innately transmedial of media constructs formed as they are from all kinds of industrial technological and discursive phenomena Yet few have considered how genre works in a multiplatform context This book does precisely that making a uniquely transmedial contribution to the study of genre in the age of media convergence The book interrogates how industrial technological and participatory transformations of digital platforms and emerging technologies reshape workings of genre The authors consider franchises such as Star Wars streaming platforms such as Netflix catch up services such as ITV Hub creative technologies such as virtual reality and beyond In setting the stage for the revival of genre theory in contemporary transmedia scholarship this book pushes forward understandings of multiplatform media and the emerging form and function of genre across contemporary culture
