Stranger In Paradise English Edition:

Muhenda (English version) Wilson Miguel, After the success and also the breaking of the law of the black lives matter movement all blacks around the world were expelled forced to return to Africa creating a political division between blacks and whites But the explosion of global warming and the rupture of the ozone layer grants world dominion and power over the only kingdom on the planet that holds natural resources the kingdom of Muhenda in Africa A place where white people were never welcome However an agent of the intelligence of the whites manages to enter Muhenda The king of Muhenda is murdered and the white man is sentenced to death for the crime and as retaliation all the remaining whites were made slaves Years later a dictator and tyrant empire rises dominating all of Africa inflicting terror oppression inequality and pain Led by the new king of Muhenda and the brother of the deceased the emperor Luther Nankela That situation forces Sowety a young African warrior queen and Selena a young white slave to stand up step up and fight against the new system Two different women two enemy races one almost impossible gold freedom

The School Pianist - Iris Broughton LARGE PRINT EDITION Iris Broughton, At the age of 97 I am proud to share my story It is dominated by music but with a few tragedies along the way My happy routine of doing the job I loved was shattered in 1979 when the government decided to make cuts in spending on education and I was made redundant The Seeley Primary School in Perry Road at Sherwood Nottingham organised two concerts in appreciation of my 18 years service The entertainment consisted of performances from former pupils of the school a choir and an orchestra picked from the last ten years concerts The Nottingham Evening Post reported the story on Friday October 26 1979 and included the picture printed below giving it the title Bitter Sweet School Harmony The reporter wrote As a further indication of the popularity of Mrs Broughton the shows held on Wednesday and again last night Thursday were sold out for both nights I finished with a blaze of publicity but felt unwanted and abandoned as I sat at home on my own A fairy godfather smiled on me a few months later enabling me to continue my story

Quintus Claudius, Volume 1 (of 2) (English Edition) Ernst Eckstein, It was in Rome itself in the sublime solemnity of the Colosseum among the ruins of the palaces of the Caesars and crumbling pillars of the temples of the gods that the first dreamy outlines rose before my fancy of the figures here offered to the reader s contemplation Each visit added strength to the mysterious impulse to conjure up from their tombs these shadows of a mighty past and afterwards at home where the throng of impressions sorted and grouped themselves at leisure my impulse ripened to fulfilment I will not pause here to dwell on the fact that the period of Imperial rule in Rome bears in its whole aspect a stronger resemblance to the XIXth century than perhaps any other epoch before the Reformation for without reference to this internal affinity we should be justified in using it for the purpose of Romance simply by the fact that hardly another period has ever been equally full of the stirring conflict of purely human interest and of dramatic contrasts in thought feeling and purpose I must be permitted to add a word as to the notes I purposely avoided disturbing the reader of the story by references in the text and indeed the narrative is perfectly intelligible without any

explanation The notes in short are not intended as explanatory but merely to instruct the reader and complete the picture they also supply the sources and give the evidence on which I have drawn From this point of view they may have some interest for the general public unfamiliar with the authorities Parzival A Knightly Epic Volume 1 (of 2) (English Edition) Wolfram von Eschenbach, Example in this ebook In presenting for the first time to English readers the greatest work of Germany s greatest medi val poet a few words of introduction alike for poem and writer may not be out of place The lapse of nearly seven hundred years and the changes which the centuries have worked alike in language and in thought would have naturally operated to render any work unfamiliar still more so when that work was composed in a foreign tongue but indeed it is only within the present century that the original text of the Parzival has been collated from the MSS and made accessible even in its own land to the general reader But the interest which is now felt by many in the Arthurian romances quickened into life doubtless by the genius of the late Poet Laureate and the fact that the greatest composer of our time Richard Wagner has selected this poem as the groundwork of that wonderful drama which a growing consensus of opinion has hailed as the grandest artistic achievement of this century seem to indicate that the time has come when the work of Wolfram von Eschenbach may hope to receive from a wider public than that of his own day the recognition which it so well deserves Of the poet himself we know but little save from the personal allusions scattered throughout his works the dates of his birth and death are alike unrecorded but the frequent notices of contemporary events to be found in his poems enable us to fix with tolerable certainty the period of his literary activity and to judge approximately the outline of his life Wolfram s greatest work the Parzival was apparently written within the early years of the thirteenth century he makes constant allusions to events happening and to works produced within the first decade of that period and as his latest work the Willehalm left unfinished mentions as recent the death of the Landgrave Herman of Thuringia which occurred in 1216 the probability seems to be that the Parzival was written within the first fifteen years of the thirteenth century Inasmuch too as this work bears no traces of immaturity in thought or style it is probable that the date of the poet s birth cannot be placed much later than 1170 The name Wolfram von Eschenbach points to Eschenbach in Bavaria as in all probability the place of his birth as it certainly was of his burial So late as the end of the seventeenth century his tomb with inscription was to be seen in the Frauen kirche of Ober Eschenbach and the fact that within a short distance of the town are to be found localities mentioned in his poems such as Wildberg Abenberg Tr hending Wertheim etc seems to show that there too the life of the poet knight was spent By birth as Wolfram himself tells us he belonged to the knightly order Zum Schildesamt bin Ich geboren though whether his family was noble or not is a disputed point in any case Wolfram was a poor man as the humorous allusions which he makes to his poverty abundantly testify Yet he does not seem to have led the life of a wandering singer as did his famous contemporary Walther von der Vogelweide if Wolfram journeyed as he probably did it was rather in search of knightly adventures he tells us Durchstreifen muss Der Lande viel Wer Schildesamt verwalten will and though fully conscious of his gift of song yet he

systematically exalts his office of knight above that of poet The period when Wolfram lived and sang we cannot say wrote for by his own confession he could neither read nor write I ne kan decheinen buochstap he says in Parzival and in Willehalm Waz an den buochen steht geschrieben Des bin Ich kunstelos geblieben and his poems must therefore have been orally dictated was one peculiarly fitted to develop his special genius To be continue in this ebook **Dead Souls (English Edition)**

Nikolai Gogol,2018-12-21 This eBook has been formatted to the highest digital standards and adjusted for readability on all devices Chichikov a middle aged gentleman of middling social class and means arrives in a small town and turns on the charm to woo key local officials and landowners He reveals little about his past or his purpose as he sets about carrying out his bizarre and mysterious plan to acquire dead souls The government would tax the landowners based on how many serfs or souls the landowner owned determined by the census Censuses in this period were infrequent so landowners would often be paying taxes on serfs that were no longer living thus the dead souls It is these dead souls existing on paper only that Chichikov seeks to purchase from the landlords in the villages he visits Setting off for the surrounding estates Chichikov at first assumes that the ignorant provincials will be more than eager to give their dead souls up in exchange for a token payment The task of collecting the rights to dead people proves difficult however due to the persistent greed suspicion and general distrust of the landowners **A Dictionary of the English Language ...
