Sharkman Six Owen West,2001-12-18 When Lieutenant Gavin Kelly's recon platoon swims ashore a Mogadishu beach under the glare of hundreds of news camera lights it is an appropriately surreal beginning to Operation Restore Hope This modern war is vastly different from the battles Kelly's father and grandfather fought and from the young lieutenant's own experience during Operation Desert Storm Minutes after the Marines celebrated landing one of Kelly's men kills an armed Somali bodyguard The circumstances of the killing are unclear and Kelly finds himself in the center of a maelstrom He must act quickly to deflect a vociferous outcry from members of the international press corps censure by his Marine superiors and the possibility of losing the loyalty of his men particularly two enlisted leaders in the platoon who have vouched for the necessity of the kill Thus begins *Sharkman Six* a stinging morality tale in which Kelly is torn between his men his confusing mission and the international rules of engagement he has sworn to uphold As his platoon descends into the lawless violent underbelly of Somalia Lieutenant Kelly must determine his own values and allegiances in a country where murders are commonplace and constant With heart pounding intricate military detail rapier wit and stunning verisimilitude *Sharkman Six* speaks to the violent urges lurking in us all and the lengths to which we will go to control them In Gavin Kelly West has created an authentic sympathetic and wholly compromised young officer of war who will put you in mind of the best of military heroes and antiheroes

A Rose of Yesterday F. Marion Crawford,2022-11-21 F Marion Crawford s *A Rose of Yesterday* is a novel steeped in the romantic nuances and darker undertones of love stories from the turn of the 20th century The narrative unfolds the poignantly tragic tale of a woman courted by two friends and the repercussions of the choices made in the name of love and

sacrifice Crawford's prose rife with rich descriptions and psychological insight eloquently renders the era's societal constructs and the interpersonal complexities that bind his characters. The book's literary style is reminiscent of the period's fascination with both the idyllic and the gothic offering a nuanced exploration of human emotions and social mores. Crawford, an American writer celebrated for his wide-ranging literary works, was notably influenced by his cosmopolitan upbringing and extensive travels in Europe and India. His exposure to diverse cultures and historical epochs often provided fertile ground for the themes and characters that pervade his fiction. In *A Rose of Yesterday*, Crawford may have drawn upon his observations of the human condition delivering a narrative both compelling and cautionary in its dissection of misguided nobility and the resultant human suffering. *A Rose of Yesterday* comes highly recommended for readers who relish classic character-driven stories that delve into the complexities of love, loyalty, and sacrifice. Crawford's masterful storytelling ensures that the reader is not merely a spectator but an empathetic participant in the unfolding drama. This tome is an enriching read for those who appreciate literature that transcends time offering insights into the enduring nature of the human spirit and the capricious games of fate.

The Illustrated London News, 1852 *Saltwater City* Paul Yee, 2009-12-01

Saltwater City pays tribute to those who went through the hard times to those who swallowed their pride to those who were powerless and humiliated but who still carried on. They all had faith that things would be better for future generations. They have been proven correct. Canada's first Chinese arrived in British Columbia in 1858 from California. Almost all were merchants, peasants, and laborers and almost all from eight rural counties in the Pearl River delta in what is now Guangdong province. They came in search of gold and better fortune escaping the rebellions, flood, and drought of their homeland. By 1863 over 4,000 Chinese lived in B.C. filling jobs shunned by whites: miners, road builders, teamsters, laundry men, restaurateurs, domestic servants, and cannery workers. Between 1881 and 1885 thousands more arrived, most imported to build the transcontinental railway. They were to create in Vancouver Canada's largest and most dynamic Chinese Community known to its original inhabitants as Saltwater City.
