Strength And Drive The West Point Class Of 1965:

Strength and Drive Robert A. Doughty, 2014-12-18 The Class of 1965 entered the Military Academy in July 1961 As cadets they received a traditional West Point education but also studied new fields such as computers and nuclear physics Upon graduation members of the class received numerous national scholarships including one Rhodes scholarship During the Vietnam War members of the class received no less than one Medal of Honor four Distinguished Service Crosses one Air Force Cross 94 Silver Stars 5 Soldiers Medals 175 Bronze Stars with V device for valor and 129 Purple Hearts In later years members of the class served with distinction in Grenada Panama Iraq and elsewhere They became leaders in transforming the army after the Cold War into a much leaner more agile technologically advanced force Those who left the service whether after four years in uniform or more contributed to the nation in a similarly impressive manner As civilians they excelled in numerous fields and exhibited as much patriotism and Strength and Drive as those still in uniform Whether in uniform or not members of the class of 1965 served their communities and nation and never lost sight of the meaning of West Points motto Duty Honor Country **Assembly** West Point Association of Graduates (Organization), 1995 *The First Classman: West Point Tour of Duty* Tawdra Kandle, 2023-02-21 Willow I only knew his first name The night we met we were only having fun It wasn't serious It was one last fling before real life took over I knew I wasn't ever going to see him again But I was wrong Dean I didn't ask for her last name She was a spontaneous night of fun right before I went back to West Point and football We were only together for a good time I knew we couldn't have anything real beyond that one night But I was wrong And when we meet again in the most unexpected way I find out that one night of fun could cost me my career all my goals It could mean the end of her dreams too And it all started on one fateful night Keywords Friends to lovers secret baby slow burn surprise baby one night stand steamy military happily ever after love books love stories romantic novels secret baby romance sexually romantic books contemporary romance contemporary military romance guaranteed HEA new beginnings no cliffhangers **Taps**, 2004 This publication lists names and biographical information on graduates and former cadets who have died **US Department of State Dispatch**, 1996 **Carved from Granite** Lance Betros, 2012-04-23 The United States Military Academy at West Point is one of America's oldest and most revered institutions Founded in 1802 its first and only mission is to prepare young men and since 1976 young women to be leaders of character for service as commissioned officers in the United States Army West Point's success in accomplishing that mission has secured its reputation as the foremost leadership development institution in the world An Academy promotional poster says it this way At West Point much of the history we teach was made by people we taught Carved from Granite is the story of how West Point goes about producing military leaders of character An opening chapter on the Academy's nineteenth century history provides context for the topic of each subsequent chapter As scholar and Academy graduate Lance Betros shows West Point's early history is interesting and colorful but its history since then is far more relevant to the issues and problems that face the Academy today

Drawing from oral histories archival sources and his own experiences as a cadet and later a faculty member Betros describes and assesses how well West Point has accomplished its mission And while West Point is an impressive institution in many ways Betros does not hesitate to expose problems and challenge long held assumptions In a concluding chapter that is both subjective and interpretive the author offers his prescriptions for improving the institution focusing particularly on the areas of governance admissions and intercollegiate athletics Photographs tables charts and other graphics aid the clarity of the discussion and lend visual and historical interest Carved from Granite West Point since 1902 is the most authoritative history of the modern United States Military Academy written to date There will be lively debate over some of the observations made in this book but if they are followed the author asserts that the Academy will emerge stronger and better able to accomplish its vital mission in the new century and beyond *We Were Soldiers Once . . . and Young* Harold G. Moore, Joseph L. Galloway, 2012-11-06 New York Times Bestseller A powerful and epic story the best account of infantry combat I have ever read Col David Hackworth author of *About Face* In November 1965 some 450 men of the First Battalion Seventh Cavalry under the command of Lt Col Harold Moore were dropped into a small clearing in the Ia Drang Valley They were immediately surrounded by 2 000 North Vietnamese soldiers Three days later only two and a half miles away a sister battalion was brutally slaughtered Together these actions at the landing zones X Ray and Albany constituted one of the most savage and significant battles of the Vietnam War They were the first major engagements between the US Army and the People's Army of Vietnam How these Americans persevered sacrificing themselves for their comrades and never giving up creates a vivid portrait of war at its most devastating and inspiring Lt Gen Moore and Joseph L Galloway the only journalist on the ground throughout the fighting interviewed hundreds of men who fought in the battle including the North Vietnamese commanders Their poignant account rises above the ordeal it chronicles to depict men facing the ultimate challenge dealing with it in ways they would have once found unimaginable It reveals to us as rarely before man's most heroic and horrendous endeavor
