Striving For Perfection And How It Effects Our Lives:

Striving for Perfection Can Akdeniz, Striving for Perfection questions the very core of the perfection drive It calls under investigation the mechanism and the validity of this often mad unfulfilling quest Our perception has been so strongly altered that we have come to identify perfection with happiness This book speaks about the true fulfillment joy and freedom you can only learn by letting go of the need to be perfect in your life and to have a perfect life the perfect life as imagined and proposed to you by others You may think you have not been touched by the perfection plague and you remain outside this never ending chase But try an exercise of self honesty and really dive deep in the internal mechanisms of your every day life in what motivates you in your perception of self take a good look of the levels of acceptance you have for yourself and others Can you really say you are untouched by what some have come to call a disease of this century This book wants to disclose the trap of perfection and its effects So often we get blocked in our creativity communication love and self love by this urgency to fit that image That perfect image We chase it until we become the chased And just when we think we have reached it it just moves one step further it slips through our fingers it shifts and lures us with a new promise **Values**

Wadell C.P.,1990-11-30 Friendship and the Moral Life is not simply a theoretical argument about how moral theology might be done if it took friendship more seriously Rather the book exhibits how without friendship our lives are morally not worth living The book begins with a consideration of why a new model of the moral life is needed Wadell then examines the ethics of Aristotle who viewed the moral life as based on a specific understanding of the purpose of being human with friendship being an important factor in enabling people to acquire virtues necessary for achieving this purpose Through the thought of Augustine Aelred of Reivaulx and Karl Barth the question is raised whether friendship is at odds with Christian love or whether their relation depends on one s narrative account of friendship Thomas Aquinas understanding of charity as friendship with God is examined to clarify this relationship By locating friendship within the story of God s redemption through Christ Wadell helps us see why friendship properly understood is integral to the Christian life and not at odds with it Such a friendship draws us to love all others who seek God and teaches us not to restrict our concern to a special few in preferential love The book closes by investigating how friendship as a model for the moral life might work in everyday life **The Art of Coming Undone** Agata Todd, Falling apart isn t failure Sometimes it s where the real transformation begins In The Art of Coming Undone Agata Todd offers a tender defiant look at what happens when life doesn t go to plan and why that might not be such a bad thing With lyrical

honesty and a quietly rebellious spirit she explores the strength in softness the wisdom in unravelling and the beauty in letting go of who we thought we had to be This is a book for anyone in the midst of the mess for those breaking bending or simply pausing to catch their breath Moving hopeful and gently powerful it reminds us that becoming undone can be the first step to becoming whole

Edinburgh Companion to Political Realism Robert Schuett, 2018-11-14 Political realism is a highly diverse body of international relations theory This substantial reference work examines political realism in terms of its history its scientific methodology and its normative role in international affairs Split into three sections it covers the 2000 year canon of realism the different schools of thought the key thinkers and how it responds to foreign policy challenges faced by individual states and globally It brings political realism up to date by showing where theory has failed to keep up with contemporary problems and suggests how it can be applied and adapted to fit our new globalised world order

[The Jaw-Dropping Beauty of Jesus](#) Joshua West, Gary Wilkerson, 2024-08-13. Most of us know Who Jesus is and would admit that He was a good and kind Teacher while here on earth. But He is so much more than just a good and kind Teacher. He is our Savior and God and worthy of all our worship. Through an in-depth study into the book of Hebrews, Joshua West and Gary Wilkerson take apart each verse, drawing the reader to a closer look at the Man Who lived here on earth for a short time and then became our Sacrifice to save us from our sins and live with us eternally in Heaven with Him. If you are searching for something more from God, dive into this study and drink in the jaw-dropping beauty of our Jesus. As a Jew who follows Jesus wholeheartedly, I always long for and love diving into Hebrews with Gospel-tinted glasses. Joshua and Gary have done a wonderful job bringing this mysterious and powerfully evangelistic book to light for this cultural moment, bringing this book of the Bible to life with a laser focus on one thing: the beauty and majesty of Jesus. This work is a gift to the believer and a captivating Gospel presentation to those we long to know Jesus like my own Jewish family. Zach Meerkreebs, Pastor in Residence at Asbury.
