The Ancient Memory and Other Stories John G. Neihardt,2025-07-21 Death defying and vulnerable fur traders and Indians demi devils and almost angels and other complex personalities come fully to life in The Ancient Memory which completes the collecting of John G Neihardt s early short fiction begun with The End of the Dream and Other Stories Originally published in popular magazines between 1905 and 1908 these stories about the American frontier illustrated Neihardt s artistry in the short form and foreshadow the themes situations and characterizations of his later better known work Although two of the Indian stories the ironic Feather for Feather and the satirical A Political Coup at Little Omaha were collected in The Lonesome Trail in 1907 none has been reprinted since early in the twentieth century Other stories included here are Like a Woman featuring the plucky Pelagie and The Face in the Balcony which is dedicated to those who have gone through life misunderstood The Epic

Minded Scot about a stranger who is stubbornly idealistic and scrupulous is considered one of Neihardt's best tales. The Brutal Fact revolves around a William Tell type of contest between trapping partners that anticipates Neihardt's Song of Three Friends. The Lure of Woman, a study of greed and revenge, was expanded into his novel Life's Lure. The ineffable Ancient Memory carries profound philosophical implications while presenting a strange doppelgänger of sorts. Finally, the memorable Waters, an alcoholic one-legged one-eyed frontier printer, is introduced in The Discarded Fetish, which with minor changes became the first half of the novel The Dawn Builder. In her foreword, Neihardt's daughter Hilda Neihardt recalls intimate details incidental to the writing of these stories.

The Stronghold Richard Church, 1976

The Stronghold Dino Buzzati, 2023-05-23

A glory-starved soldier spends his life awaiting an absent long-expected enemy in this influential Italian classic of existentialism, now newly translated and with its originally intended title restored. At the start of Dino Buzzati's *The Stronghold*, newly commissioned officer Giovanni Drogo has just received his first posting to the remote Fortezza Bastiani. North of this stronghold are impassable mountains; to the south, a great desert; and somewhere out there is the enemy whose attack is imminent. This is the enemy that Lieutenant Drogo has been sent to draw out of his lair to defeat once and for all, returning home in triumph. And yet time passes, and where is the enemy? As the soldiers in the fortress await the foretold day of reckoning, they succumb to inertia, and though death occurs, it is not from bravery. Decades pass. A lifetime passes. Drogo, however, still has his lonely vigil to keep. Buzzati is one of the great Italian writers of the twentieth century, renowned for his fantastical imagination and for a touch that is as lyrical as it is light. *The Stronghold*, previously translated as *The Tartar Steppe*, is his most celebrated work, a book that has been read as a veiled attack on Mussolini's fascist militarism, a prophetic allegory of the Cold War, and an existentialist fable. Lawrence Venuti's new translation reverts to the title that Buzzati originally intended to give his book and seeks to bring out both the human and the historical dimensions of a story of proven power and poignancy.

Stronghold Melanie Rawn, 1991-09-03

Return to the spellbinding universe of *Sunrunner*, a place of magic and sorcerous evil, of peaceful and warring kingdoms, and of deadly dragons holding the secret to wealth. Beyond imagining High Prince Rohan and Lord Andry battle unstoppable threats to their homeland in this follow-up fantasy trilogy to the bestselling *Dragon Prince* series. A mysterious and seemingly unstoppable invasion force challenges the power of both the High Prince Rohan and Lord Andry. The Lord of the Sunrunners at Goddess Keep. For Andry, it signals the start of a nightmare made real, the horrifying fulfillment of his long-ago visions of his homeland in flames. He will draw upon even the forbidden sorcerer's magic in an attempt to destroy this enemy, which is bent on the extermination of all Sunrunners. Rohan and his son Pol must also fight the enemy with every weapon at their command, from their valiant warriors to conjurations with sun, moons, and stars, to the terrifying presence of the dragons, to the unforgiving wrath of the Desert itself. Yet soon they begin to fear that this invasion may prove not only the end of their dream of an unbreakable peace, but the beginning of the end of their entire world. Building on her widely

acclaimed fantasy trilogy Dragon Prince Melanie Rawn reopens the enchanted gateway to the magical world of Sunrunner in this first Dragon Star adventure **The Stronghold** Xan Fielding,2013 During the Second World War Xan Fielding served for two years as an officer in the British Special Operations Executive on German occupied Crete where he ran an intelligence network in co operation with the Cretan resistance movement Seven years later Fielding returned to Crete to spend a year travelling in the island s White Mountains the stronghold of the title revisiting sites of his wartime exploits and seeking out former comrades who had returned to their peacetime lives His sojourn resulted in this remarkable memoir a documentary like record of days spent among Cretan peasants blended with history and literature a travelogue like no other The Stronghold is a blending of history and culture with experience but one wedded to fidelity Fielding never arrives there is no great journey of self There is just a question answered about the war and youth he can t shake Crete as no man can shake the formative experience of his youth from the new foreword by Robert Messenger **Independent Nail and Packing Company V.
