Strangers In The Arctic Ultima Thule And Modernity:

Strangers in the Arctic : Ultima Thule and modernity Marketta Seppälä,1996 **Strangers in the Arctic** ,1996

Encountering the North Frank Möller, Samu Pehkonen, 2018-02-06 This title was first published in 2003 This volume is concerned with the European north above the Arctic Circle and its representations in Cultural Geography and International Relations The chapters in the book deal with cultural geographical and political imaginations of northern peoples and landscapes Emphasis is placed on the triangle of and interrelationship between culture geography and politics The historical and contemporary variations of meaning assigned to the north point to real processes which need to be studied in their own right To achieve this aim the book does not plainly specify the sites and levels of discourses be they academic political or popular but it does take into account the material circumstances making the context of the European north Illustrated by a coherent set of specially written case studies the volume explores issues such as history literature gender folk culture pictorial representations environment and climate change and links these issues with the geo politics of the region

Remaking Europe in the Margins Christopher S. Browning, 2019-06-04 Originally published in 2005 This comprehensive volume examines the issue of Europe making related to the post EU NATO enlargement and the post 9 11 situation Dual enlargement and the War on Terrorism are raising important questions for various actors in Europe in particular what these developments will mean for the future of regional cooperation and the development of a regional subjectivity Such concerns have been further compounded by America s distinction between New Europe and Old Europe The volume analyzes at both policy and conceptual levels how the dual enlargement and the War on Terrorism will impact on regional cooperation in northern Europe It examines how events in northern Europe have helped shape the nature of European space borders and governance including how the EU the US and Russia have each highlighted northern Europe as a special case to be utilized and learnt from in dealing with problems elsewhere in Europe and globally Presenting original articles the volume will appeal to scholars of regional politics as well as security international relations theory and geopolitics

Canada and the Idea of North Sherrill E Grace, 2002-04-15 Canada and the Idea of North examines the ways in which Canadians have defined themselves as a northern people in their literature art music drama history geography politics and popular culture From the Franklin Mystery to the comic book superheroine Nelvana Glenn Gould s documentaries the paintings of Lawren Harris and Molson beer ads the idea of the north has been central to the Canadian imagination Sherrill Grace argues that Canadians have always used ideas of Canada as North to promote a distinct national identity and national unity In a penultimate chapter The North Writes Back Grace presents newly emerging northern voices and shows how they view the long tradition of representing the North by southern activists artists and scholars With the recent creation of Nunavut increasing concern about northern ecosystems and social challenges and renewed attention to Canada s role as a circumpolar nation Canada and the Idea of North shows that nordicity still plays an urgent and central role in Canada at the start of the twenty first century

Ilya Kabakov: Installations 1994-2000 Il'ia Iosifovich Kabakov, 2003 **Doug Wheeler** Doug Wheeler, 2020-01-07 Over five decades Doug Wheeler has pioneered the art of light and space His work powerfully explores the way we perceive empty space the way light can affect our perception and make emptiness feel full and dense From his early experiences flying across the desert with his father a doctor in Globe Arizona Wheeler developed a passion for the intensity and stillness of vast expanses seeing in them a whole new set of possibilities for visual art Although Wheeler began his career as a painter his wall mounted artworks soon began incorporating light as a medium and quickly gave way to an unprecedented art historical breakthrough his construction of an absolute light environment crafted in his studio in 1967 Since that unparalleled moment Wheeler's work has been exhibited widely all over the world in the past decade with numerous major gallery and museum installations his reputation as the definitive light and space artist has been solidified This volume featuring new scholarship by renowned art historian Germano Celant traces the entire course of Wheeler's career to date from his first mature paintings to his immersive installations Writing on Wheeler's intense and direct engagement with the absoluteness in the optical fields he creates Celant provides a detailed account for Wheeler's development as one of the most original and influential artists of his generation Wheeler's work not only changes how we encounter reality after we see it but also how we envision what is possible more broadly in visual art 1996 Massimo Mastrogregori, 2014-02-21 Annually published since 1930 the International bibliography of Historical Sciences IBOHS is an international bibliography of the most important historical monographs and periodical articles published throughout the world which deal with history from the earliest to the most recent times The works are arranged systematically according to period region or historical discipline and within this classification alphabetically The bibliography contains a geographical index and indexes of persons and authors *Artforum International* , 1996 Ecosystem Health D. J. Rapport, Connie L. Gaudet, R. Constanza, P. R. Epstein, R. Levins, 2009-06-01 Ecosystem Health presents information to help the environmental sciences community further understand the relationships between ecosystem health and human health By exploring preventative diagnostic and prognostic aspects of ecosystem management and using case study examples the book takes the reader from theory to practice in this emerging integrative science *Ilya Kabakov* Il'ia Iosifovich Kabakov, Matthias Haldemann, 2010 The book has always played a pivotal role in the work of Ilya Kabakov Initially successful as an illustrator of children's books in the Soviet Union the book was the impetus for his visual artistic activity The book has remained Kabakov's constant companion On the one hand it is used to present new projects On the other it is the medium used to document these projects once they have been realised The book accompanies Kabakov's visual work but that is not its only purpose it has always also been crucial in terms of the visual art itself As always with Kabakov there is no distinction between artistic practice and discourse This applies also to this catalogue raisonne which turns out to be a paradoxical construction it is both an academic work and an artist's book English and German text *The New North Europe* Lassi Heininen, Jyrki Käkönen, 1998 **Canadian Art** , 1997 Form Function

Finland ,1996 **Crossings** Diana Nemiroff,1998 **Gemälde 1957-2008** Renate Petzinger,Emilia Kabakov,2008 Ilya Kabakov is currently one of the world s most important and influential artists from the former Soviet Union Following the publication of a two volume catalogue raisonné of Kabakov s installations in 2003 a complete overview of Kabakov s paintings is now being made available for the first time The focus of this two volume catalogue raisonné in a slipcase is on 130 works produced by the artist in Moscow between 1957 and 1987 when Kabakov created imaginary characters in his pictures to portray the banality of everyday life in the Soviet Union a downright sardonic commentary on the system s promises and utopias that were never delivered upon but also a parable on humankind English and German text Crossings: The exhibition, visual documents Diana Nemiroff,1998 *Frieze* ,1996 *Ultima Thule* Jean Malaurie,2003 Ultima Thule is the terrible and yet fantastic story of European and American exploration in the polar north The book brings to life both sides of the clash that arose when white men arrived in the Far North Heavily illustrated with period photos engravings artifacts and drawings 650 photos **Du atlantis** ,1997
