This inspiring book stems from Kristie's personal struggles with growing up obese and then finally finding the right nutritional path for herself and eventually her family. The keto lifestyle proved to be the right fit for Kristie who experienced dramatic weight loss and optimized health. Above and beyond being a success story, Kristie is a busy working mom who is devoted to the health of her two children. When she saw her own daughter begin to struggle with weight just as she had as a child, Kristie committed to supporting her by providing delicious low carb options focusing on health instead of weight and setting an example. With her mother's guidance, Grace made the choice to adopt a keto lifestyle herself and later on Jonathan did as well. After years of success, the Sullivan family brings you a first of its kind cookbook dedicated to young adults, teens, kids, and you guessed it, their parents.
