Taken by the Beast Conner Kressley, Rebecca Hamilton, 2018-04-29 When Charisse Bellamy takes the job at New Haven's first ever Night Club it's only intended as a short term solution to make ends meet But she soon discovers there is no resisting the pull of her new boss Abram Despite worrying how her feelings for Abram will impact her budding relationship with police deputy Dalton she can't seem to stay away and it's not until a missing girl is found chained up in Abram's home that this beauty realizes one of her romantic interests is a beast The Conduit Series is complete Binge Read the Series Today Taken by the Beast Sleeping with the Beast Charmed by the Beast Granted by the Beast Wonderland with the Beast **Man vs Beast** Robert Muchamore, 2012-02-02 Every day thousands of animals die in laboratory experiments Some say these experiments provide essential scientific knowledge while others will do anything to prevent them James and Lauren Adams are stuck in the middle They're CHERUB agents Trained professionals with one essential advantage adults never suspect that children are spying on them For official purposes these children do not exist **The Beast of Tapley Woods** Beth Hanley-Adams, 2022-11-03 Fairy Hills Portal Stones Magic These were all things of legend or were they Keely Young an average looking woman from Iowa on her dream vacation to Ireland would soon be propelled headlong into the mystery and magic surrounding Tapley Folly She was ill prepared for the discovery of a rugged looking Highlander inside the stone tower laying near death beside the strangely carved stone She was even more unprepared for the attraction she felt for this man and who he claimed to be though who he claimed to be wasn't possible in the realistic scheme of things Liam Tapley Laird of Tapley Manor and Earl of Glen Bally lay beaten near death Upon awakening he sees this fair woman his saving angel and whom he relies on as he is thrust into a world he is ill prepared to understand Laird Tapley hailed from the Scottish Highlands and became Laird of Tapley Manor via an inheritance He treated his tenants in a manner forging a loyalty and respect amongst them which would be needed but it created an animosity amongst other landed gentry of the region resulting in his ending up in the tower The Year of Slaughter 1740aEUR1 was a disastrous time in Ireland's history with bitter temperatures causing failed crops disease and starvation For reasons unbeknownst to him he had gained a reputation as being a beast Now he is in an entirely different era his estate in ruins as he tries to gain control over his growing emotions towards Keely as well as figure out what he has to do Can he return to his own time Does he want to If he returns will he become the beast he is accused of being or will he manage to tame it and return to Keely in her time He too is unfamiliar with the fairy magic and how it worked or if it would work He had to trust in the unknown to fix his past to return to his future **Beast of Shadow** Raven G Huffman, 2018-08-23 Reality is all in the perception of the beholder but what if the beholder is crazy Aislin Welsh is a sheltered young woman with a secret a voice inside her mind It is a dark black shadow named Bram She's got control of it or so she thinks but an accident in a research lab gives her reason to question it all Aislin finds herself within another world filled with dangerous beasts and nomadic people who fear two things the mountain on

which they survive and a blood thirsty chief named Bram Chief Bram pulls her into his life and into his tribe as Mother of the tribe Insane with the sanity Aislin is forced to adapt to the new life in front of her full of danger murder and war Soon enough she is faced with a choice does she trust the man she s known all her life or does she trust her newfound mind **The Fives'**

Rowland,Christopher R. A. Morray-Jones,2009 This book brings together the perspectives of apocalypticism and early Jewish mysticism to illuminate aspects of New Testament theology The first part begins with a consideration of the mystical character of apocalypticism and then uses the Book of Revelation and the development of views about the heavenly mediator figure of Enoch to explore the importance of apocalypticism in the Gospels and Acts the Pauline Letters and finally the key theological themes in the later books of the New Testament The second and third parts explore the character of early Jewish mysticism by taking important themes in the early Jewish mystical texts such as the Temple and the Divine Body to demonstrate the relevance of this material to New Testament interpretation Ask the Beasts: Darwin and the God of Love

Elizabeth A. Johnson,2014-01-16 For millennia plant and animal species have received little sustained attention as subjects of Christian theology and ethics in their own right Focused on the human dilemma of sin and redemptive grace theology has considered the doctrine of creation to be mainly an overture to the main drama of human being s relationship to God What value does the natural world have within the framework of religious belief The crisis of biodiversity in our day when species are going extinct at more than 1 000 times the natural rate renders this question acutely important Standard perspectives need to be realigned theology needs to look out of the window so to speak as well as in the mirror Ask the Beasts Darwin and the God of Love leads to the conclusion that love of the natural world is an intrinsic element of faith in God and that far from being an add on ecological care is at the centre of moral life Belly of the Beast Judith L.
