kindergarten or grade 1 Once both the schools and students parents together made students ready for membership in our civic culture They learned they were politically equal to each other with a shared civic identity regardless of academic achievement Yet policy makers at USED and philanthropists in this country with a professed interest in the education of low achievers want low achievers to believe that their academic status is all that matters and that they haven t succeeded academically because of bigoted teachers administrators and communities Parent school partnerships need to revive their community s agreed upon mission for public education if we are to alter the roots of low achievement in this country
