Vision In Silver Anne Bishop, 2016-02-02 The Others freed the Cassandra sanguine to protect the blood prophets from exploitation not realizing their actions would have dire consequences Now the fragile seers are in greater danger than ever before both from their own weaknesses and from those who seek to control their divinations for wicked purposes In desperate need of answers Simon Wolfgard a shape shifter leader among the Others has no choice but to enlist blood prophet Meg Corbyn's help regardless of the risks she faces by aiding him [Visions of Dystopia in China's New Historical Novels](#)

Jeffrey C. Kinkley, 2014-11-04 The depiction of personal and collective suffering in modern Chinese novels differs significantly from standard Communist accounts and most Eastern and Western historical narratives Writers such as Yu Hua Su Tong Wang Anyi Mo Yan Han Shaogong Ge Fei Li Rui and Zhang Wei scramble common conceptions of China's modern development deploying avant garde narrative techniques from Latin American and Euro American modernism to project a surprisingly un-Chinese dystopian vision and critical view of human culture and ethics The epic narratives of modern Chinese fiction make rich use of magical realism surrealism and unusual treatments of historical time Also featuring graphic depictions of sex and violence and dark raunchy comedy these novels deeply reflect China's turbulent recent history re-presenting the overthrow of the monarchy in the early twentieth century and the resulting chaos of revolution and war the recurring miseries perpetrated by class warfare during the dictatorship of Mao Zedong and the social dislocations caused by China's industrialization and rise as a global power This book casts China's highbrow historical novels from the 1990s to the mid 2000s as a distinctively Chinese contribution to the form of the global dystopian novel and consequently to global thinking about the interrelations of utopia and dystopia **Vision's Immanence** Peter Lurie, 2020-03-03 William Faulkner

occupied a unique position as a modern writer Although famous for his modernist novels and their notorious difficulty he also wrote extensively for the culture industry and the works he produced for it including short stories adaptations and screenplays bore many of the hallmarks of consumer art His experiences as a Hollywood screenwriter influenced him in a number of ways many of them negative while the films turned out by the dream factories in which he labored sporadically inspired both his interest and his contempt Faulkner also disparaged the popular magazines though he frequently sold short stories to them To what extent was Faulkner's deeply ambivalent relationship to and involvement with American popular culture reflected in his modernist or art fiction Peter Lurie finds convincing evidence that Faulkner was keenly aware of commercial culture and adapted its formulae strategies and in particular its visual techniques into the language of his novels of the 1930s Lurie contends that Faulkner's modernism can be best understood in light of his reaction to the popular culture of his day Using Theodor Adorno's theory about modern cultural production as a framework Lurie's close readings of *Sanctuary* *Light in August* *Absalom Absalom* and *If I Forget Thee Jerusalem* uncover the cultural history that surrounded and influenced the development of Faulkner's art Lurie is particularly interested in the influence of cinema on Faulkner's fiction

and especially the visual strategies he both deployed and critiqued These include the suggestion of cinematic viewing on the part of readers and of characters in each of the novels the collective and individual acts of voyeurism in *Sanctuary* and *Light in August* the exposing in *Absalom Absalom* and *Light in August* of stereotypical and cinematic patterns of thought about history and race and the evocation of popular forms like melodrama and the movie screen in *If I Forget Thee Jerusalem* Offering innovative readings of these canonical works this study sheds new light on Faulkner's uniquely American modernism
