Weaver,2015-08-07 Have you ever wondered what heaven will really be like This is the answer as close as any human can come because it s in God s Word The Holy Bible This book is a compilation of several individuals envisions of what their home in eternity will look like The Bible says that human eyes have not seen nor ears heard nor entered into the hearts of man what God has prepared for those who

love Him I have asked people from all walks of life who have faith in God in salvation through Jesus and in eternity with God to tell me in their own words what they imagine their personal Dwelling Place will be like for them I believe that when God created us He gave us an unlimited imagination Their story may be humorous serious combined seem like fantasy or whatever We and our visions are not limited by the restraints of society God has an unlimited and infinite imagination We know that from the boundless beauty and diversity of creation He gave us a portion of that imagination to use We use it for various forms of art science and creativity King Solomon says As a man thinks so he is Let us think with imagination and positiveness I imagined this book to be a wonderful story of how we can all get together and show the world that God in His wisdom gave us different ideas about His Word and how we can share in a common vision that is as varied as the sands of the seas and the stars in the heavens that we will one day occupy It is my prayer that you will truly allow your own imagination to run wild and see that to taste heaven is truly awesome To taste and see that the Lord is good We can only imagine *Blind Visions from Heaven* Angela Rhodes-Parker,2020-12-14 *Blind Visions from Heaven* is Katherine Rhodes s breakout novel Written under her sister s name as she helped guide Katherine with her writings *Blind Visions* is a based on a true story and promises its readers will get at least one severe case of the goosebumps This beautiful and chilling novel embraces the depths of grief and offers hope after the death of a loved one As you travel through Katherine s journey in life you will fall in love with many of the characters in her novel Katherine has learned in her life that her lost loved ones are much closer to her than she once thought She has learned that her loved ones can be still connected to her despite the fact that they are esperares into two different states of being This is a spiritual novel that promises not to disappoint its readers **The Heavenly Vision** Witness Lee, This book is intended as an aid to believers in developing a daily time of morning revival with the Lord in His word At the same time it provides a limited review of the Memorial Day weekend conference held in Philadelphia Pennsylvania May 23 26 2014 The general subject of the conference was The Heavenly Vision Through intimate contact with the Lord in His word the believers can be constituted with life and truth and thereby equipped to prophesy in the meetings of the church unto the building up of the Body of Christ **The Days God Showed Me the Visions of Hell and Heaven** Lois Steadman,2009-12 Prophetic Visions of Heaven Victoria Adesipe,2020-04-28 The Lord said to me I have decided to show you the visions of Heaven for the sake of revealing same to my people who are so drawn into the world They think the world love the world desire the world and they know little or nothing of my kingdom or my city which is the city of cities glory There is no city in the whole earth combined that can be compared with the least part of my city I want you to know that heaven is my dwelling place It is a place and not just a figmentation of men s mind the heaven is the holy city of God that is bigger than the whole earth combined The new capital city is the New Jerusalem that is still being built for habitations of 1 The glorious God who shall be the center of its attraction 2 The children of God of all generations 3 The angels and all heavenly beings will dwell there This book is written to bless God s people The unseen realm which is God s

realm is very real Many people who have been privileged to peep into these realms confirms over and over that just as the Earth is real so also the realm we cannot see or feel is very real God uses the gift of the prophetic to reveal this realm to his own anointed ones The Lord called me and said I want you to document those things I continue to show you so you can create the awareness of my abode and my coming kingdom That is the motivation behind this book You will discover it an unusual book I also try to put some pictorial presentation in some of the report So this book PROPHETIC VISION OF HEAVEN written is to create awareness among God people and to draw many away from extreme worldly attraction to heavenly things When you go through a book as this you will know that truely God is real and his abode is real Also he is coming soon to take his own to himself Please read with an open mind and heart and let the Holy Spirit give you understanding of what is revealed in this book Prophetic Visions of Heaven Prophetess Victoria Adesipe
