Her work has been featured in several magazines and publications including *Machine Quilting Unlimited*, *The Jewish Journal*, *Modern Holiday Quilt Pattern Magazine* and many more.

Tennessee Delta Quiltmaking Teri Klassen, 2024-01-12 *Tennessee Delta Quiltmaking* is an excellent study of quilting in rural West Tennessee. Both black and white quilters inhabit the small farm region and their quilting traditions are largely shared across racial lines. A study that highlights shared culture rather than seeking to distinguish racial or ethnic contributions is a welcome direction in cultural research. Alan Jabbour, former director of the American Folklore Society Library of Congress. Prior to the 1960s quiltmaking thrived in the Tennessee Delta as a crucial source of warm bedcovers among cash poor yet self-sufficient farm households. As agriculture mechanized rural workers switched to factory jobs and could afford nicer houses and blankets. Quiltmaking survived because women both black and white reinvented it as a hobby that met personal and social needs. Though scholars have studied quilt styles with rural southern roots few have considered black and white quiltmakers together or as part of a shared regional culture. In *Tennessee Delta Quiltmaking* Teri Klassen traces how mid-twentieth century common quilts developed from nineteenth century styles. Through interviews with people from rural households Klassen uncovers the ways in which designs and labor were shared and the ways in which quiltmaking was part of the small farm culture that was common to blacks and whites. While quiltmaking was a creative form passed down in families limited means and accessible materials made it both a necessity and a highly evolved custom in southwestern Tennessee's upper Delta region. For families in this region the quilt symbolized homemaker competence and self-reliance a trait especially valued by sharecroppers and tenant farmers who owned no land. The culture of quiltmaking reflected living conditions and values of these folk and Klassen details numerous changes in this culture from how it contributed to small farm stability to how industrialization affected the practice. By considering quiltmaking's practical aesthetic and social aspects in a historical mixed race context *Tennessee Delta Quiltmaking* makes a unique contribution to the study of the

Tennessee Delta and the understanding of common quilt design TERI KLASSEN is a postdoctoral research associate at the Mathers Museum of World Cultures at Indiana University Her articles have appeared in Journal of American Folklore Midwestern Folklore and Journalism Quarterly [Adventures in Design](#) Joen Wolfrom,2024-03-22 Bring more beauty and balance to your quilt designs Everything you need to know about the essentials of good design from an internationally reknowned expert Learn about the key elements of design and how to apply strategies for success Practice what you ve learned with exercises at the end of each chapter An inspiring gallery illustrates design concepts by many prominent quilters and artists including Alex Anderson Paula Nadelstern and Ricky Tims with over 150 images showcasing all styles of quilts and fabric art from traditional to modern This is the design textbook for quilters Joen presents the eight elements of design line direction shape color value texture proportion and scale You ll learn how to work with these elements using many guiding design principles such as unity and balance Whether you consider yourself to be a quilter an artist or a crafter you can improve your design skills by exploring Joen s fresh innovative approach **Decorative 6" Quilt Blocks** Catherine H.
