Warrior Marie Brennan,2008-08-01 When a witch is born a doppelganger is created For the witch to master her powers the twin must be killed But what happens when the doppelganger survives Mirage a bounty hunter lives by her wits and lethal fighting skills She always gets her mark But her new mission will take her into the shadowy world of witches where her strength may not be a match against powerful magic Miryo is a witch who has just failed her initiation test She now knows that there is someone in the world who looks like her who is her Mirage To control her powers and become a full witch Miryo has only one choice to hunt the hunter and destroy her **Educators Guide to Free Internet Resources** Educators Progress Service,2007-05 To provide our customers with a better understanding of each title in our database we ask that you take the time to fill out all details that apply to each of your titles Where the information sheet asks for the annotation we ask that you provide us with a brief synopsis of the book This information can be the same as what may appear on your back cover or an entirely different summary if you so desire Dyslexia and Early Childhood Barbara Pavey,2016-02-22 Taking a developmental approach this accessible text addresses the ever increasing interest in identifying the characteristics of dyslexia in young children and reflects on the best way to reach and support these learners Drawing upon current research the author considers our current understanding of dyslexia and calls upon best practice to advise professionals students and family members alike who seek to fulfil the potential of young children with or showing the signs of dyslexia This book considers key topics explored in current best practice and dyslexia research including the importance of the role of speaking hearing and understanding language dyslexia in relation to other languages and orthographies dyslexia and overlapping

characteristics particularly dyspraxia the role of play identifying and assessing dyslexia in the early years Adopting a dyslexia friendly position Barbara Pavey acknowledges the ethics associated with a social model of disability so that the focus is upon modifying teaching and learning and respecting the views of children and parents throughout This book includes assessment and practice strategies good practice points helpful ideas first hand narratives of dyslexia pointers for further reading resources and online tools and will be of enormous practical use to anyone supporting a young child with potential or diagnosed dyslexia

Toddlers on Technology A. DeSollar, H Leathers, Patti Summers, 2013-04-08 TODDLERS ON TECHNOLOGY Does your toddler seem to know more about the iPad than you do Welcome to the world of the Digitods the young children born into the era of mobile technology These kids are learning faster and better than any generation that has come before them And they are loving it Take a look at toddlers using an iPad They are pictures of concentration Their hands are moving and their eyes are constantly scanning the screen They are in an active state of learning their neurons are firing on all cylinders It is not surprising that they find learning such an enjoyable activity with the bright colors interesting activities and cheery voices urging them on Have you ever tried getting a Digitods attention when he is working with an iPad It is not easy Often the child is so fixated on the work that he protests when he has to move on even to something as interesting as a snack It just underscores what teachers have always known Good learning is addictive the more you get the more you want Digitods are racing down the information superhighway and we have to be ready for them But what does this entail The answer to this ever important question lies within Patti Wollman Summers has written the first book on the subject by an early childhood educator Ms Summers collaborates with Heather Ibrahim Leathers a mom who provides many practical tips and Ann DeSollar Hale PhD a neuropsychologist who gives a full account of the research so far in our Science section Learn why interacting with an app is so fascinating to a young child Discover what constitutes a good app and how to match an app to your child's temperament and learning style Read a description of many excellent apps in our App Reviews section and learn how to balance your child's digital work with real life see saw activities For parents of children under six who are concerned about their child's development in a surprisingly unfamiliar world TODDLERS ON TECHNOLOGY is a must read Visit Digitod.com or ToddlersOnTechnology.com Design Photography by Andrew Ayad.com
