CREATIVE WRITING

LIVING IN THE PAST

Read the opening paragraph and write a creative story based on what is shared. Share how your day in pioneer times!

"I woke up one morning in a place that was both familiar and different at the same time. I was ten years old and when I had been watching television and fell asleep listening to my favorite music downloads on the phone. When I woke up my room was dark and my bed felt different. There was a cardie sitting on a small wooden table. I jumped up and noticed I was in a white gown. My animal print pajamas had disappeared. The house felt cool. I looked outside and instead of seeing the car, there was an old wagon, like I had seen in history books. It seemed I had woken up in pioneer days. I had no idea what was happening, but it could be a great adventure."
