Anderson, 2012-01-05 Christian teaching and modern sensibilities both eschew nationalism as an extreme fanatical form of patriotism an excessive or disordered form of an otherwise healthy and proper national identity But what if the problem of nationalism is something much more fundamental What if nationalism is actually the process leading to national identity in the first place And what happens when this process entails selectively appropriating and reinterpreting the Christian tradition for the sake of the envisioned nation This book takes up these questions within the context of American Christian nationalism Here the process of interweaving the Christian narrative with American history and myth is examined in depth through a thorough engagement with scholarship on nationalism and within a framework shaped by contemporary theopolitical studies and the biblical narrative The study aims to discern how the Christian Scriptures and theological tradition have been used by Christians themselves to further what amounts to an alternative gospel In so doing this book charts a path for the church to evaluate itself honestly in light of Christ's lordship repent and learn to tell its story more truly

Making All Things New Benjamin L. Gladd,Matthew S. Harmon,2016-03-08 Many people think eschatology refers to events occurring at the end of history In this book two scholars with expertise in biblical eschatology argue that God s kingdom breaking into this world through Jesus Christ has inaugurated a new creation a reality that should shape pastoral leadership and be reflected in the life and ministry of the church Brief and accessibly written this book articulates the practical implications of G K Beale s New Testament Biblical Theology and features an introductory chapter by Beale Each chapter concludes with practical suggestions and a list of books for further study

Last Things Craig A. Loscalzo,Walter K. Price,2007 **Eschatology** Kenneth Burleson,2006 *The Last Things* George Eldon Ladd,1978 There are two traditional interpretations of the relationship between the prophecies of the Old and New Testaments One sees separate tracts for Israel and the Christian church the other view recognizes a progressive revelation and a unity of the Testaments George Eldon Ladd holds the latter view and asserts that our final word is to be found in the New Testament reinterpretation of the Old Testament prophecy Only as the prophecies are seen in the light of God s revelation through Christ can we clearly understand what they mean in relation to the end times
