## **Urban Revolution Now Henri Lefebvre In Social Research And Architecture:**

**Urban Revolution Now** Christian Schmid, 2016-12-05 When Henri Lefebvre published *The Urban Revolution* in 1970 he sketched a research itinerary on the emerging tendency towards planetary urbanization Today when this tendency has become reality Lefebvre's ideas on everyday life production of space rhythm analysis and the right to the city are indispensable for the understanding of urbanization processes at every scale of social practice This volume is the first to develop Lefebvre's concepts in social research and architecture by focusing on urban conjunctures in Barcelona Belgrade Berlin Budapest Copenhagen Dhaka Hong Kong London New Orleans Nowa Huta Paris Toronto São Paulo Sarajevo as well as in Mexico and Switzerland With contributions by historians and theorists of architecture and urbanism geographers sociologists political and cultural scientists *Urban Revolution Now* reveals the multiplicity of processes of urbanization and the variety of their patterns and actors around the globe

**The Routledge Handbook of Henri Lefebvre, The City and Urban Society** Michael E. Leary-Owhin, John P. McCarthy, 2019-11-21 *The Routledge Handbook of Henri Lefebvre The City and Urban Society* is the first edited book to focus on Lefebvre's urban theories and ideas from a global perspective making use of recent theoretical and empirical developments with contributions from eminent as well as emergent global scholars The book provides international comparison of Lefebvrian research and theoretical conjecture and aims to engage with and critique Lefebvre's ideas in the context of contemporary urban social and environmental upheavals to use Lefebvre's spatial triad as a research tool as well as a point of departure for the adoption of ideas such as differential space to reassess Lefebvre's ideas in relation to nature and global environmental sustainability and to highlight how a Lefebvrian approach might assist in mobilising resistance to the excesses of globalised neoliberal urbanism The volume draws inspiration from Lefebvre's key texts *The Production of Space Critique of Everyday Life* and *The Urban Revolution* and includes a comprehensive introduction and concluding chapter by the editors The conclusions highlight implications in relation to increasing spatial inequalities increasing diversity of needs including those of migrants more authoritarian approaches and asymmetries of access to urban space Above all the book illustrates the continuing relevance of Lefebvre's ideas for contemporary urban issues and shows via global case studies how resistance to spatial domination by powerful interests might be achieved The Handbook helps the reader navigate the complex terrain of spatial research inspired by Lefebvre In particular the Handbook focuses on the series of struggles globally for the right to the city and the collision of debates around the urban age cityism and planetary urbanisation It will be a guide for graduate and advanced undergraduate teaching and a key reference for academics in the fields of Human Geography Sociology Political Science Applied Philosophy Planning Urban Theory and Urban Studies Practitioners and activists in the field will also find the book of relevance

**Henri Lefebvre and the Theory of the Production of Space** Christian Schmid, 2022-11-29 Shortlisted for the Deutscher Memorial Prize 2023 This book presents an encompassing detailed and thorough overview and reconstruction of

Lefebvre's theory of space and of the urban Henri Lefebvre belongs to the generation of the great French intellectuals and philosophers together with his contemporaries Michel Foucault and Jean Paul Sartre His theory has experienced a remarkable revival over the last two decades and is discussed and applied today in many disciplines in humanities and social sciences particularly in urban studies geography urban sociology urban anthropology architecture and planning Lefebvre together with David Harvey is one of the leading and most read theoreticians in these fields This book explains in an accessible way the theoretical and epistemological context of this work in French philosophy and in the German dialectic Hegel Marx and Nietzsche and reconstructs in detail the historical development of its different elements It also gives an overview on the receptions of Lefebvre and discusses a wide range of applications of this theory in many research fields such as urban and regional development urbanization urbanity social space and everyday life

The SAGE Handbook of the 21st Century City Suzanne Hall, Ricky Burdett, 2017-10-16 The SAGE Handbook of the 21st Century City focuses on the dynamics and disruptions of the contemporary city in relation to capricious processes of global urbanisation mutation and resistance An international range of scholars engage with emerging urban conditions and inequalities in experimental ways speaking to new ideas of what constitutes the urban highlighting empirical explorations and expanding on contributions to policy and design The handbook is organised around nine key themes through which familiar analytic categories of race gender and class as well as binaries such as the urban rural are readdressed These thematic sections together capture the volatile processes and intricacies of urbanisation that reveal the turbulent nature of our early twenty first century Hierarchy Elites and Evictions Productivity Over investment and Abandonment Authority Governance and Mobilisations Volatility Disruption and Adaptation Conflict Vulnerability and Insurgency Provisionality Infrastructure and Incrementalism Mobility Re bordering and De bordering Civility Contestation and Encounter Design Speculation and Imagination This is a provocative interdisciplinary handbook for all academics and researchers interested in contemporary urban studies

*Marxism and Real Estate Development* Julian Roche, 2023-09-01 This book straddles two worlds and attempts to bring them together that of Lefebvre's Marxism on the one hand and that of real estate development on the other Lefebvre has now become a household name amongst many contemporary Marxists especially those with an interest in urban planning and certain quarters of the architectural profession however his work is far less well known by real estate professionals whether investors developers brokers or indeed policymakers Marxism and Real Estate Taking Lefebvre Seriously has both a large scope and a very bold aim to use an explication and analysis of the work of Henri Lefebvre not only to present a critique of development but also to draw these two worlds together It therefore first aims to present the arguments of this increasingly well known French Marxist philosopher sociologist and pioneer of urban studies second to situate contemporary real estate development in the light of Lefebvre's work and third to analyse the potential application of Lefebvre's work to each of the major components of contemporary real estate to use Lefebvre's work in order to recommend practical action for developers working alongside

planners and architects to influence the future of global real estate As well as its direction at developers themselves this book should be of interest to economists real estate researchers and professionals planners urban studies scholars and of course to those interested in the application of Lefebvre s work to real estate      **Space, Urban Politics, and Everyday Life** Tilman Schwarze,2023-11-18 This Book develops a novel and innovative methodological framework for operationalising Henri Lefebvre s work for empirical research on the U S city Building on ethnographic research on Chicago s South Side Tilman Schwarze explores the current situation of urbanisation and urban life in the U S city through a critical reading and application of Lefebvre s writings on space everyday life the urban the state and difference Focusing on territorial stigmatisation public housing transformation and urban redevelopment this book makes an important contribution to critical urban scholarship foregrounding the relevance and applicability of Henri Lefebvre s work for geographical and sociological research on urban politics and everyday life      *The Routledge Handbook of Architecture, Urban Space and Politics, Volume II* Nikolina Bobic,Farzaneh Haghighi,2024-11-22 Architecture and the urban are connected to challenges around violence security race and ideology spectacle and data The first volume of this handbook extensively explored these oppressive roles This second volume illustrates that escaping the corporatized and bureaucratized orders of power techno managerial and consumer oriented capitalist economic models is more urgent and necessary than ever before Herein lies the political role of architecture and urban space including the ways through which they can be transformed and alternative political realities constituted The volume explores the methods and spatial practices required to activate the political dimension and the possibility for alternative practices to operate in the existing oppressive systems while not being swallowed by these structures Fostering new political consciousness is explored in terms of the following themes Events and Dissidence Biopolitics Ethics and Desire Climate and Ecology Urban Commons and Social Participation Marginalities and Postcolonialism Volume II embraces engagement across disciplines and offers a wide range of projects and critical analyses across the so called Global North and South This multidisciplinary collection of 36 chapters provides the reader with an extensive resource of case studies and ways of thinking for architecture and urban space to become more emancipatory Chapter 1 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution CC BY 4.0 license      *The Routledge Companion to Marxism in Art History* Tijen Tunali,Brian Winkenweder,2025-03-31 This companion is an essential contribution to the study of historical materialism in general and the social history of art in particular Each chapter in the collection focuses on a key figure concept or historical epoch Increasingly scholars adopt an array of Marxist methods intertwined with a host of other theoretical practices particularly the historiography of key issues regarding hegemony ideology and identity Ideological issues of connoisseurship patronage and analyses of the artwork as a form of labor and leisure are essential to the practice of Marxism in art history This collection spotlights a plurality of Marxian theories in which the ideas of such figures as Walter Benjamin Guy Debord and T J

Clark are debated and developed through analyses of the socio historical conditions that impact how art is produced circulated and received This ultimately underscores that the historical contextualization of artworks and their markets within a class based society is crucial for writing socially engaged art history This book will be of interest to scholars working in art history visual studies visual sociology communication studies and the sociology of art *Perspectives on Henri Lefebvre* Jenny Bauer,Robert Fischer,2018-12-03 The articles take a decidedly interdisciplinary look at the opus of the French philosopher sociologist and pioneer of spatial analysis Henri Lefebvre 1901 1991 His works are reflected upon from theoretical and practical perspectives by authors from various fields literature history philosophy sociology ethnology closely examining text references from Lefebvre Havana Susan Fitzgerald,2022-05-01 Following the crisis of the Special Period Cuba promoted urban agriculture throughout its towns and cities to address food sovereignty and security Through the adoption of state recommended design strategies these gardens have become places of social and economic exchange throughout Cuba This book maps the lived experiences surrounding three urban farms in Havana to construct a deeper understanding about the everyday life of this city Using narratives and drawings this research uncovers these sites as places where education intimacy entrepreneurship wellbeing and culture are interwoven alongside food production Henri Lefebvre s latent work on rhythmanalysis is used as a research method to capture the everyday beats particular to Havana surrounding these sites This book maps the many ways in which these spaces shift power away from the state to become places that are co created by the community to serve as a crucial hinge point between the ongoing collapse of the city and its future wellbeing *Urban Play and the Playable City: A Critical Perspective* Yoram Chisik,Ben Schouten,Mattia Thibault,Anton Nijholt,2022-02-17 Everyday Life and Urban Studies Sabine Knierbein,2025-10-13 Everyday Life and Urban Studies revisits the ordinary routines that shape urban life during the crises ridden last century and early new millennium Vast parts of Henri Lefebvre s intellectual work on everyday life however remain underappreciated in urban studies This book seeks to re integrate Lefebvre s Critique of Everyday Life into studies of urbanization Starting in the 1920s the book realigns historical insights with contemporary urban phenomena to uncover patterns of capitalist urbanization By showing the relevance of grasping the minutiae of everyday life to understanding cities the urban and urbanization today everyday life space and philosophy are brought back in tension This work combines analytical methodological exploration pedagogic mission and theoretical advances to carve out an everyday theory based approach to urban studies situated at the interface of the spatial arts the humanities and the social sciences This book examines the transformative potential that lies hidden in everyday life thereby unravelling a way to nurture hope amid unsettled urban conditions The book is essential for students faculty and researchers in the fields of urban studies city planning urban design human geography sociology cultural studies and political science Research Culture in Architecture Cornelia Leopold,Christopher Robeller,Ulrike Weber,2019-12-16 Research in and on architecture is as complex as the discipline itself with its different specialist fields and therefore the

results often remain unconnected Research Culture in Architecture combines digital and analog research issues and demonstrates how important cross disciplinary cooperation in architecture is today The complexity and increasing specialization are elaborated on in the various chapters and then linked to the core of architecture i e design Scientists from the theoretical and practical fields present research results in the following subjects design methodology architectural space perception and the human body analog and digital timber construction visualization robotics architectural practice and research and sustainability

Urban Revolutions Stefan Kipfer,2022-09-19 What do struggles over pipelines in Canada housing estates in France and shantytowns in Martinique have in common In Urban Revolutions Stefan Kipfer shows how these struggles force us to understand the neo colonial aspects of capitalist urbanization in a comparatively and historically nuanced fashion In so doing he demonstrates that urban research can offer a rich if uneven terrain upon which to develop the relationship between Marxist and anti colonial intellectual traditions After a detailed dialogue between Henri Lefebvre and Frantz Fanon Kipfer engages creole literature in the French Antilles Indigenous radicalism in North America and political anti racism in mainland France

New Urban Spaces Neil Brenner,2019-05-24 In New Urban Spaces Neil Brenner proposes a radical reconceptualization of inherited approaches to urbanization Rather than focusing on cities as bounded units urbanization is conceived here as multiscalar Drawing on the methods of critical geopolitical economy especially the writings of Henri Lefebvre Brenner systematically elaborates this multiscalar conceptualization of the capitalist urban fabric in order to investigate emergent patterns and pathways of urban restructuring

Exploring the Production of Urban Space Michael Edema Leary-Owhin,2016-02-26 This important book engages critically with Lefebvre s spatial theories and challenges recent thinking about the nature of urban space Research in three iconic post industrial cities in the UK and North America explains how urban public spaces including differential space are socially produced
