marry the most beautiful girl of any nearby village a devout Muslim woman from an affluent family born of a traditional Hindu caste and the eldest daughter of a neighboring landlord Looking back in writing this now I think about all the people who were supposed to care about me who had bad intentions related to why they claimed to welcome me as an American never bothering to fill me in as to the reasons why I traveled to Pakistan I found myself in a strange new land left to raise Sameer and Asad without a father Thrust into a world of strangers disguised as well meaning relatives extending a hand to greet me as a foreigner from the United States I found myself standing in the middle of a deserted field trying not to see Daniyal in new relatives offering flowers and Muslim prayers of protection in Urdu I was no longer called by my birth name Samantha but morphed into a Pakistani woman known only by my Muslim name Kasra Say You ll Wait for Me is my first book based on a true to life experience of meeting and marrying an immigrant from a rural village area of Ganish Pakistan As I struggle to fit in with a large eccentric joint family as a foreigner from Louisiana who knows next to nothing about Pakistani customs haphazard attempts at blending in with my Muslim family turn into a series of cultural blunders and missteps Secretive in laws appear as well meaning family members offering Muslim prayers revealing a series of family betrayals and secrets surrounding an ongoing legal case in Karachi Pakistan involving the acquisition of ancestral property A territorial dispute in Karachi Pakistan spirals out of control in the form of an ongoing family feud What remains of my time in a rural village area of Ganish is a true story comprised of people who lied to me and a broken promise of a happy life in a foreign country that existed in a past memory The beginning of our financial issues began more than five years ago over a valuable piece of property in Karachi The most tragic part of my real life experience about marrying a Pakistani wasn t that years later I had come to find out my immigrant husband s ancestral land had been stolen from him and he could no longer return to his birth country I prayed for the land to be returned to its rightful owner Say You ll Wait for Me Nowhere, Exactly M.G. Vassanji, 2025-09-02 From one of Canada s most celebrated writers two time Giller Prize winner M G Vassanji comes a thoughtful meditation on what it means to belong in the world Shortlisted for the Writers Trust Balsillie Prize for Public Policy Home is never a single place entirely and unequivocally It is contingent The abstract nowhere then is the true home M G Vassanji has been exploring identity and belonging for over three decades drawing on his own eclectic upbringing and intimate understanding of the unique challenges and perspectives born from leaving one s home and settling in a new land The question of how to configure and see oneself within this new land and within the larger world that s opened up is a constant nagging challenge In today s world possessing multiple identities has become a commonplace concept But what does it mean to truly belong to a place a community a faith a history Can we ever belong in our new home Did we ever belong in the home we left Where exactly do we belong For many the answer is nowhere exactly Combining brilliant prose thoughtful candid observation and a lifetime of exploring how we as individuals are shaped by the places and communities in which we have lived and the histories that haunt them Nowhere Exactly examines with exquisite sensitivity the space

between identity and belonging the immigrant or exile s experience of both loss and gain and the weight of memory and nostalgia and of guilt and hope felt by so many of those who leave their homes in search of new ones for one reason or another
