Video Guide - Unit 3 WHAP Review (c. 1450-1750 CE)—Land-Based Empires

Written by Eileen Orzoff Baranyk

QUESTIONS	ANSWERS	EXTRA INFO
Consolidating Power		
1. How did land-based empires consolidate power in this era?	1. Centralizing their bureaucracies - Qing Dynasty (1644-1912), China: - Reintroduced the Civil Service Exam. Necessary for legitimizing power over the Chinese since the Manchu were seen as foreigners. (<i>The Ming Dynasty was the last native dynasty in China</i>) - Ottoman Empire (c. 1300-1922), Middle East & Southern Europe - The Devshirme system (<i>Christian boys from the Balkans were enslaved & educated to serve the state</i>) helped to consolidate power by creating a very loyal bureaucracy and elite military (the Janissaries). - Songhai Empire (c. 1464 - 1591), West Africa - Consolidated power through their military, alliances, and having control over trade routes. Legitimacy established through court rituals of kings (<i>King on a raised platform surrounded by 700 Eunuchs; only approached lying down on the ground</i>) Consolidating power based on Tribute - Aztec Empire (1428-1521), Mesoamerica - The Aztecs demanded specific goods from conquered people, called Tribute. This allowed for indirect rule (instead of centralized direct authority), where the Aztec did not have to be present in conquered areas to maintain control.	1. Learning Objective 3.2.B Rulers used a variety of methods to legitimize and consolidate power in land-based empires. This included the recruitment of bureaucratic elites (Civil Service Exam; Devshirme) Learning Objective 4.7.M Imperial conquests and widening global economic opportunities contributed to the formation of new political and economic elites including in China with the transition to the Qing Dynasty who restricted the power of the Han Chinese population. Learning Objective 3.4.D These are a good comparison of the methods by which various empires increased their influence from 1450-1750.
2. What are the various methods used by land-based empires to collect taxes in this era?	Mughal Empire (1526-1857 CE). - Bureaucrats called Zamindars were appointed by the emperor to collect taxes based on an individual's land or production. Ottoman Empire - Tax Farmers (who were not government employees) were told to collect a certain amount of taxes from an area. Anything extra that they collected they were able to keep. Aztec Empire	Learning Objective 3.2.B Rulers used a variety of methods to legitimize and consolidate power in land-based empires. This included the use of tax-collection systems to generate revenue in order to forward state power and expansion.
