

UNIT #2 Study Guide

FORMING A NEW GOVERNMENT

1. Articles of Confederation

- I. There was already a Constitution in place which was known as the "Articles of Confederation" (1781)
 - A. In the American Revolution, America went from self-rule to independence which is not drastic.
 - B. Establishing democracy in the US was easy during the War because the Loyalists (people who were fighting from the British side) left the United States as they lost the War.
 - C. In the Articles of Confederation, most of the power is vested in the people
 - D. The US does not want the stronger central government to rule them as it is a threat.
 - E. It came into effect in 1781 and lasted until 1789.
 - F. The main purpose of the Articles of Confederation was to deal with foreign power interactions.
 - G. The structure just has the legislative branch which includes the 13 states.
 1. This branch cannot tax or regulate trading but can declare war and borrow money.
 - H. If the articles need to be amended, ALL 13 colonies must agree.
 - I. Positives:
 1. it helped establish the Constitution
 2. It was a weak government and people did not trust the Articles of Confederation anymore. Aiming for a much more stable government, they were doing trial and error. Since they are trying, the people will also be VULNERABLE to try the Constitution to see if it's stable enough.
 3. Land Ordinance of 1785: EQUITABLE DISTRIBUTION OF LAND
 - a) the land was divided into grids which are 6 miles on each side
 - b) once the land is divided, it is put up for SELL
 - c) anyone, no matter the wealth or social status, can BUY it.
 4. Northwest Land Ordinance of 1787:
 - a) people purchased more land and moved to the West
 - b) Once 60,000 people move to an area, people can apply for statehood.
 - c) After they have statehood, they will be accepted as an EQUAL MEMBER in the government.
 - J. Negatives: Shays's Rebellion

2. Shays's Rebellion

- I. Daniel Shay was a farmer from Massachusetts who fought in the American Revolution and went back to farming when the war was over
- II. In the war, people borrowed money to fit and even states were in debt. Each state can tax
- III. The taxes were really high in Massachusetts because of high debt
- IV. Shay, being a farmer, cannot afford to pay the taxes and if he does not pay, his land will be taken.
