Autobiography of a Blue-eyed Devil Inga Muscio,2014-03-18 In an updated second edition of her follow up to the cult classic Cunt Inga Muscio asserts that the history taught in schools and perpetuated in all areas of life in the US is in fact a marketing brand developed by powerful people to maintain gross inequities With Autobiography of a Blue Eyed Devil it s Muscio s turn to take Americans on a tour through our history from Columbus to today Whose country is this Has democracy

ever really existed With her trademark ability to deconstruct reality and expose truths that allow us to see our culture and ourselves more clearly Muscio delves deep to answer these fundamental questions Including chapters such as God Told Me To Kill You on religious intolerance from the 1600s to the 1800s and Postage Stamp Redemptions in which she challenges the myth that White supremacy and imperialism in the US ended with the civil rights movement Muscio offers new perspectives on our history that might shock even the most ardent alternative history buff

Unraveling Bias Christia Spears Brown, 2021-11-30 NATIONAL INDIE EXCELLENCE AWARD WINNER PARENTING FAMILY 2022 IPPY AWARDS GOLD MEDALIST PARENTING Timely informative thought provoking inspirationally motivating Midwest Book Review Brown offers pragmatic advice for teachers on how to stand up for diversity and inclusiveness in the classroom San Francisco Book Review We need only scan the latest news headlines to see how bias and prejudice harm adults and children alike every single day Police shootings that give rise to the Black Lives Matter revolution rampant sexual harassment of women and the subsequent MeToo movement extreme violence toward trans men and women It would be easy to fix these problems if the examples stopped with a few racist or sexist individuals but there are also biases embedded in our government policies media and institutions As a developmental psychologist and international expert on stereotypes and discrimination in children Dr Christia Spears Brown knows that biases and prejudice don't just develop as people become adults or CEOs or politicians They begin when children are young slowly growing and exposed to prejudice in their classrooms after school activities and yes even in their homes no matter how enlightened their parents may consider themselves to be The only way to have a more just and equitable world not to mention more broad minded empathetic children is for parents to closely examine biases beginning in childhood and how they infiltrate our kids lives In her new book Unraveling Bias How Prejudice Has Shaped Children for Generations and Why It's Time to Break the Cycle Dr Brown will uncover what scientists have learned about how children are impacted by biases and how we adults can help protect them from those biases Part science part history part current events and part call to arms Unraveling Bias provides readers with the answers to vital questions How do biased policies schools and media harm our children Where does childhood prejudice come from and how do these prejudices shape children's behavior goals relationships and beliefs about themselves What can we learn from modern day science to help us protect our children from these biases Few issues today are as critical as being aware of bias and prejudice all around us and making sure our kids don't succumb to them To change lives and advance society it's time to unravel our biases starting with the future leaders of the world
