Upon This Rock Exploring The Gospel Of Jesus Christ:

Discovering Christ Richard N. Skousen, 2022-04-18 No one is more important to us than our Savior Jesus Christ He is the only means of our salvation He is our everlasting example How can we follow Him and grow to become more like Him It is impossible to become like someone whom we don't truly understand When pondering about our Savior are we able to answer these vital questions Who is He What is He like What are His fundamental attributes What does He believe and what did He teach How did He handle the adversity trials rejection and temptations that He faced in His life How can this knowledge help us in our own trials and temptations We can turn to three sacred sources to discover who our Savior is the scriptures the teachings of the prophets and the commandments He has given us As we study His attributes from these sources our understanding will expand and our lives will improve significantly Each chapter in this book focuses on one of our Savior's attributes concluding with powerful suggestions demonstrating how we can obtain these same qualities As we apply His attributes in our lives we will become more like Him As we become more like Him we will come to know Him better and we will be filled with power from heaven Discovering Christ can lead each of us to a richer life a life filled with light peace and joy *The Old Mine Explored & the Golden Ore of the Gospel Extracted* James Slye, 1850

Matthew's Gospel Michael J. Wilkins, 2025-10-07 A Theology of Matthew's Gospel develops the perspective that Matthew wrote his Gospel to identify defend and proclaim Jesus Immanuel God with us as the Davidic Messiah who fulfilled the OT expectations of humanity's redemption Matthew's Gospel establishes Jesus's identity as the heir to the promises of Israel's throne through King David and heir to the promises of blessing to all the nations through the patriarch Abraham 1:1 So this

first Gospel offers evangelistic hope in Jesus's message of the gospel to Jews contending that they should turn to Jesus as their long awaited Messiah Matt 11:2-6 But strikingly Matthew's Gospel also offers evangelistic hope to Gentiles emphasizing that salvation through Jesus Messiah is available to all the nations 28:19 The book emphasizes the three horizons that comprise Matthew's gospel history theology and literature The first horizon focuses on Jesus's history ministry Here Matthew provides for us a record of God's activities in history in the arrival of Jesus Messiah and the kingdom of heaven The second horizon develops Matthew's theological perspective for his audience's Here we attempt to understand and isolate Matthew's unique theological perspective of God's activities in Jesus Messiah This is a central focus emphasizing Matthew's theological perspective of the Old Testament Christology the kingdom of heaven discipleship the Church church Israel past present and future the death and resurrection of Jesus mission commission and eschatology eternity The third horizon emphasizes today's reader's engaging with Matthew's Gospel as literature Here we attempt to capture the significance of the perspective of today's reader's understanding of Jesus Messiah's activities in history and Matthew's theological perspective for the contemporary church In this book we view Matthew's perspective of God's activities in Jesus's unfolding earthly ministry The alternating sections of narrative and discourse provide for his readers Jesus's example to follow and Jesus's words to obey Therefore Matthew's Gospel is at least in a part a manual on discipleship to Jesus Messiah in the kingdom of heaven In the six Narratives Matthew reveals Jesus's true identity in his deeds and introduces themes that will lead to instructions to Jesus's disciples in the Discourses The six Narratives provide the example that Jesus's disciples are commanded to obey In the five Discourses Matthew records Jesus's instructions commands parables directives and prophecies that will guide his followers in their discipleship to Jesus until the end of the age Combined the narratives of Jesus's life provide Jesus's example to follow and the discourses give Jesus's instructions to obey and are the basis of our ongoing transformation to become like Jesus

Modern Mormonism Robert L. Millet, 2010-10-21 What answer may a Latter day Saint make to accusations from those of other faiths that Mormons aren't Christians or You think God is a man and You worship a different Jesus Not only are these charges disconcerting but the hostility with which they are frequently hurled is equally likely to catch Latter day Saints off guard Now Robert L Millet veteran of hundreds of such verbal battles cogently helpfully and

scripturally provides important clarifications for Latter day Saints about eleven of the most frequent myths used to discredit the Church Along the way he models how to conduct such a Bible based discussion respectfully weaving in enlightenment from LDS scriptures and quotations from religious figures in other faiths ranging from the early church fathers to the archbishop of Canterbury Millet enlivens this book with personal experiences as a boy growing up in an area where Mormons were a minuscule and not particularly welcome minority in one on one conversations with men of faith who believed differently and with his own BYU students who also had lessons to learn about interfaith dialogue He pleads for greater cooperation in dealing with the genuine moral and social evils afflicting the world and concludes with his own ardent and reverent testimony of the Savior
