The Great CoMission Brooks St. Clair Morton,2012-11-02 This book presupposes that pastors and seminarians deeply desire to answer the question of all questions how do I make disciples of Jesus Christ The Great CoMission Making Sense of Making Disciples is a helpful guide for pastors in the field yet meaty enough for seminarians in the classroom In The Great CoMission readers will encounter useful principles for discipleship and

solid biblical theology for ministry This unique book approaches the Great Commission from a rite of passage framework therefore allowing for serious consideration of the internal mechanisms of Matthew 28 16 20 by focusing on the relationship between initiation instruction and Jesus promise to be with the church to the end of the age Morton writes from a Wesleyan cross cultural and missiological perspective avoiding the popular method of using the Great Commission merely as a holy launching pad for retelling the story of a mega church *Last Words From Above (Medicine for the Spirit)* Jeremy Brown, 2018-04-26 Last Words from Above Medicine for the Spirit is not just intended to be a book of thought provoking and inspirational quotes but also an experience One that has the power to open not only your mind but also your heart to new possibilities and forgotten dreams Whether you are only able to go through a few a day or a few hundred in one sitting you will walk away with something that will heal your spirit *A Divine Revelation of the Spirit Realm* Mary K. length kindles spiritual awakening Using both a quantitative and qualitative approach this book provides the hard data to support this notion Bratton bases her work on five sources an exhaustive survey of long distance AT hikers published trail diaries and memoirs hikers own logs and postings her own personal observations from many years on the trail and conversations with numerous members of the AT community including the trail angels residents of small towns along the path who attend to hikers need for food shelter or medical attention The abundant photographs reinforce the text and enable visualization of the cultural and natural context This volume is fully indexed with extensive reference and notes sections and detailed appendixes Written in an engaging and accessible style The Spirit of the Appalachian Trail presents a full picture of the spirituality of the AT Susan Power Bratton is professor of environmental studies She is the author of *Six Billion and More Human Population Regulation* and *Christian Ethics Environmental Values in Christian Art and Christianity Wilderness and Wildlife The Original Desert Solitaire* **Flesh, Satan or God?** Kathy DeGraw,2011-06-15 How do I hear from God How does God speak to His believers today How do I know if what I am hearing is from God or my own thoughts The number one question Kathy has been asked in ministry is How do I know if what I am hearing is from God Believers want to hear from God not only clearly but also accurately and quickly They want to know if what they are receiving is from God their own thoughts or from the enemy We have all heard from the enemy in our minds We have heard things such as You are no good Why don t you kill yourself No one will ever love you These are all lies the enemy has attacked us with But what about when we hear a direction more specific such as Pick up the phone and call a friend Why don t you quit your job or start a new career or Is this the person I should marry When we have a more general thought come in our mind it can become challenging to discern if it is our flesh the enemy sending confusion or God giving us a divine direction In *Flesh Satan or God* you ll learn practical applications and biblical truths to assist you in knowing what the source of your thoughts are Get real life examples of how God can speak to you how you can increase in your discernment and what you can do to hear from the Lord Come to know the difference between your Flesh Satan or God The Spirit of the Soil Paul B.
