You might not know what your spiritual gifts are yet. But you can start looking for clues.

Children's Ministry on Purpose Steven J. Adams,2017-03-28 Many children's ministries are a flurry of activity run by dedicated volunteers and staff who put in long hours and work hard for the good of the children and parents they serve Yet

despite good intentions many children's ministries today are not effective. They lack purpose and intentionality. A twenty-five year veteran of children's ministry in the local church, pastor Steve Adams has ministered to families in multiple churches from tiny church plants to his present position at Saddleback Church. In this book Steve applies the revolutionary insights of the Purpose-Driven Church to children's ministry and leads readers on a journey of discovery showing them how to develop an intentional ministry process that moves children toward spiritual health while building a healthy ministry environment for those who work with kids. You will learn how to ask and answer five simple but powerful questions: Why are we on this journey? Where are you and where are you going? Who are we trying to reach? How will we move our children towards spiritual health? What are the essential elements necessary for the journey? There is no single key to a successful children's ministry nor is there only one way that works for everyone. But there is a proven process you can follow and Steve shows how children's ministries all over the world are reaching their God-given potential by discovering their biblical purpose, avoiding the traps of frustration and burnout.

Rock-Solid Kids Larry Fowler, 2005-01-03 Children's ministry is being pushed and pulled by education models, statistical analysis, growth techniques, cultural change, and technological advancements. But with the weight of all these influences, little attention is given to what ought to be the most important influence in molding the shape of children's ministry: the Word of God. Whether your children's ministry is in your home or in your church, the purpose of this book is to enable you to build a children's ministry that is rock-solid, modeled on scriptural teachings. Each chapter of this book starts with a Scripture passage, a rock for your foundation. The Scripture passage specifically refers to children or ministering to them. Each chapter contains a thorough discussion of implications and applications.

Forever Kalei's Mom Lorene Holizki, 2015-07-22 In the space of a heartbeat, author Lorene Holizki was thrust into a world she did not know or want. On August 20, 2001, the unimaginable happened: her 16 and a half year old daughter Kalei was killed instantly in a head-on car crash. Desperate for insight into the emotions that threatened to crush her from the inside out, Holizki learned everything she could about her different world and new life. Along the way, she discovered there was an entire lifetime housed within the world of grief. In *Forever Kalei's Mom*, she offers a deeply personal analysis of death and her journey through the grieving process. Divided into three sections, this memoir gives a sense of Holizki's relationship with her daughter, discusses the inner turmoil of the unimaginable grief, and shares how grief and the future learn to cohabitate. At times heartbreaking, *Forever Kalei's Mom* discusses the lessons she has learned during the process. It presents an honest look at the chaotic mental and emotional grieving journey from Holizki's perspective as a mother.
