remix of William Bennett's *The Book of Virtues* without parental controls *The Seven Deadly Virtues* sits down next to readers at the bar buys them a drink and an hour or three later ushers them into the revival tent without them even realizing it The book's contributors include Sonny Bunch Christopher Buckley David Iowahawk Burge Christopher Caldwell Andrew Ferguson Jonah Goldberg Michael Graham Mollie Hemingway Rita Koganzon Matt Labash James Lileks Rob Long Larry Miller P J O'Rourke Joe Queenan Christine Rosen and Andrew Stiles Jonathan V Last senior writer at the *Weekly Standard* editor of the collection is also a contributor All eighteen essays in this book are appearing for the first time anywhere In the book's opening essay P J O'Rourke observes Virtue has by no means disappeared It's as much in public view as ever But it's been strung up by the heels Virtue is upside down Virtue is uncomfortable Virtue looks ridiculous All the change and the house keys are falling out of Virtue's pants pockets Here are the virtues everyone including the book's contributors was taught in Sunday school but have totally forgotten about until this very moment In this sanctimony free zone Joe Queenan observes In essence thrift is a virtue that resembles being very good at Mahjong You've heard about people who can do it but you've never actually met any of them P J O'Rourke notes Fortitude is quaint We praise the greatest generation for having it but they had aluminum siding church on Sunday and jobs that required them to wear neckties or nylons but never at the same time We don't want those either Christine Rosen writes A fellowship grounded in sociality means enjoying the company of those with whom you actually share physical space rather than those with whom you regularly and enthusiastically exchange cat videos Rob Long offers his version of modern day justice if you sleep late on the weekend you are forced to wait thirty minutes in line at Costco Jonah Goldberg offers There was a time when this desire to do good in all things was considered the only kind of integrity Angels are better than mortals They're always certain about what is right because by definition they're doing God's will Gabriel knew when it was okay to remove a mattress tag and Sandalphon always tipped the correct amount Sonny Bunch dissects forbearance observing that the fictional *Two Minutes Hate* of George Orwell's 1984 is now actually a reality directed at living breathing people Thanks in part to the Internet Its targets are designated by a spontaneously created mob one that due to its hive mind nature is virtually impossible to call off By the time readers have completed *The Seven Deadly Virtues* they won't even realize that they've just been catechized into an entirely different and better moral universe

Thank You, America & Americans Armen Saginian, 2022-07-18 Why this appraisal In the framework of an autobiography I am a naturalized American citizen I am what I am and I became what I became because of you you the wonderful American people You dear Americans who have created this wonderful and benevolent country through your hard work No other nation to date can claim that they have done more or better than you have in such a short time I am giving you my thanks my appreciations my respects my love and devotion to you and your work aspirations and ideals I am doing this in a try to nullify the vicious attempts of modern day Trotsky's and their clones who are trying to tear down what you have built because they cannot match you or your work or outdo you In my Addendums I have selectively expressed my heartfelt

gratitude to those who had the most effect on my life but the list of those who in one way or another affected my life will probably make a book as thick as this one The majority of them are Americans My dear and benevolent people who have helped me and others like me millions of us be proud of who you are and what you have done You have always torn down what was useless and have replaced it with something more useful For the sake of the future of this nation and the salvation of mankind don t give anything free to anyone Don t give anyone free fish to feed on teach them how to fish to live on May the intelligent energy be with you *Caught in the Middle* Richard C. Longworth,2010-08-09 The Midwest has always been the heart of America both its economic bellwether and the repository of its national identity Now in a new globalized age the Midwest is challenged as never before With an influx of immigrant workers and an outpouring of manufacturing jobs the region that defines the American self the Lake Wobegon image of solid hardworking farmers and factory hands is changing at breakneck speed As factory farms and global forces displace old ways of life the United States is being transformed literally from the inside out In *Caught in the Middle* longtime Chicago Tribune reporter Richard C Longworth explores the new reality of life in today s heartland and reveals what these changes mean for the region and the country Ranging from the manufacturing collapse that has crippled the Midwest to the biofuels revolution that may save it and from the school districts struggling with new migrants to the Iowa meatpacking town that can t survive without them Longworth addresses what s right and what s wrong in the region and offers a prescription for how it must change politically as well as economically if it is to survive and prosper *America, Can She Be Fixed?* , **The Supernatural Age** David Alan Smith,2020-12-15 Demons Demonic activity What would our world be like if the floodgates were opened What would happen if the hand that kept these evil entities at bay was removed And whose hand would that be This is the Supernatural Age It is more than a cautionary tale it is a prophecy plucked from the pages of the Bible or at least a plausible interpretation of what could possibly be And what exactly makes Biblical Prophecy so mysterious worth anyone s time Simple eerily a quarter of the Bible is documented prophecy and approximately 75% of these prophecies have already been fulfilled to the tee Bible prophecy is batting a thousand it has a perfect record If a psychic laid out over 2000 predictions and every single one of them came true to the letter if it wouldn t be enough to make one trust the psychic it d at least make one take a second look Why not the Bible Besides a rapture believing church is long overdue for a fresh new perspective on what they believe This time however the message to these Christians is BEWARE It is a warning a just in case scenario they need to seriously consider when it comes to their rapture It is a just in case scenario when it comes to the Tribulation the Prophet and the Antichrist Although *The Supernatural Age* is written with love and concern for Christians and non Christians alike it is far from a fluffy feel good novel of things and things to come It is a haunting and ominous tale by all accounts but not without a light at the end of the tunnel This is a supernatural thriller full of suspense unexpected twists turns and surprises It is an imaginative and daring version of the Bible s foretelling of the last days It is as much written to shock and entertain the reader as it is to inform and

educate It is thought provoking It is peppered with horrors danger suspicion intrigue deception paranormal phenomena and demon possession Despite it being fiction merely a story it can be most provocative even controversial if one allows it Yet even with all the precarious settings situations and global devastation it manages to squeeze in the beauty of faith romance love honor and trust as well as the Gospel of Jesus Christ Thus it truly and fully lands in the Christian genre as it is intended to be In addition the Supernatural Age is a timely novel Not only is it perfect and apropos for the times pertaining to what is currently trending in the political arena worldwide it is suitable for a myriad of audiences Younger older rich and poor religious spiritual Atheists and Agnostics all genders all walks of life regardless of race sexual orientation political affiliation culture or creed the Supernatural Age is a novel for all people Take notice be informed be warned and be aware Whether the Supernatural Age is read like a movie or read as a reference whether it falls into the realm of pure entertainment or a foreboding warning either way it is a novel worth considering Hopefully it is a novel well received a novel worthy of finding an intimate place in the heart of one's library Bottom line the ultimate battle between good and evil is looming The question is are you ready
