The Big Picture Karen Kearns, 2024-12-11 The Big Picture 6e examines the personal and professional skills needed to be an early childhood educator. It provides students with a practical introduction to working in a children's service environment and helps to bridge the gap between theory and practice. This text supports training delivery in Certificate III in Early Childhood Education and Care CHC30121 and introduces the Early Childhood Australia Code of Ethics and the challenges that may be faced when working with families and children. The author also emphasises the importance of knowing the traditional areas of early education and development and links them to the Early Years Learning Framework EYLF and the National Quality Standards NQS.

Employment Law and Occupational Health Joan Lewis, Greta Thornbory, 2008-04-15 Employment law and occupational health a practical handbook provides an essential guide to best practice for all occupational health practitioners. This readable guide to the law will help to ensure both business success and respect for individual employment rights. The cost of sickness absence can present major costs and business management problems to employers and safeguarding health is therefore vital to every individual and to all employers.

Navigating ISO 45001 Stephen Asbury, 2024-09-27 There has been a 2 500 year evolution in structured means of control and management systems. Occupational health and safety management systems are an essential tool for initiating and driving cultural change and for establishing a framework for continual improvement in safety performance. Navigating ISO 45001 charts this evolution up to the launch of the world's first occupational health and safety management system OH S MS standard ISO 45001:2018 and then forecasts its future for the next ten years. This book delivers approaches and techniques that include the Navigating 45001 Three Step Model, sixteen OH S MS implementation Toolkits and 24 case studies presented as practical examples to facilitate your organization's success in this critical business area. Acting as the essential companion to Health and Safety Environment and Quality Audits: A Risk based Approach, Asbury 2023, which is now in its fourth edition and has sold thousands of copies, this new book presents OH S MS from the organization's side. Written with the safety manager in mind, it will become the go-to title for those who aspire to drive a prosperous and thriving organization based on world-class OH S management and performance. Navigating ISO 45001 is an essential reading for senior managers and safety managers in any safety-critical role or profession. Downloadable and copyright-free documents, videos, and useful URL links are provided on the book's companion website.
