Roland Pennock, 2017-07-12 At

a point in history marked by dramatic challenges to the existing political and social order the question of legal and political obligation emerges as a focal point of international concern Amid the clamor for radical change in the established order theories of political obligation demand renewed examination In this volume eighteen leading specialists in the legal philosophical and political science aspects of the question offer their views on this timely topic Part I examines the nature of moral legal and political obligation The first essay presents a set of definitions that denies the very existence of obligation While the second essay disagreeing particularly with respect to the relationship of political to moral tenets and the third discussing the highly complex interplay between law and morality The following essay approaches obligation as existing in the context of an established political and legal system and stresses the importance of evaluating the negative consequences of challenges to the law as well as those arising from the absence of challenges The next paper maintains that political obligation is so complex that its very existence depends upon rational deliberation in particular contexts The fifth explores four significant theories but accepts only the one based on the broadest definition of obligation While the final essay in this part considers political obligation a unique and generalized moral obligation Part II takes up the conditions of obligation and of obedience The first essay in this part discusses the conditions necessary to generate a felt obligation The second paper concentrates on exposing key obstacles to empirical proof that behavior is or is not motivated by felt obligation While the third draws upon a large body of literature and court decisions dealing with compliance to the law The forth essay is a case

study of Rome probes the role of obligation during that city's seven centuries. *Hepatology and Transplant Hepatology Board Review* Jawad Ahmad, Shahid M. Malik, 2023-01-10 *Hepatology and Transplant Hepatology Board Review* Hepatology and Transplant Hepatology Board Review with Multiple Choice Questions is the only source you will need to pass the American Board of Internal Medicine ABIM transplant hepatology examination. Written by two highly experienced hepatologists, this indispensable study guide covers all the main topics tested on the exam: pre-transplant, perioperative, post-transplant, and transplant immunology. 261 multiple choice questions with answers, including questions based on the authors' real-life cases, are designed to mimic the clinical scenarios you will encounter in hepatology practice. Questions testing your medical knowledge, clinical insight, and management skills are supported by brief topic overviews, key references, high-quality images, pathology slides, and cholangiograms. Throughout the book, Pearls and Must-Know Facts sections emphasize testable points that are likely to appear on the ABIM board examination. The first hepatology-specific study aid of its kind, *Hepatology and Transplant Hepatology Board Review with Multiple Choice Questions* is a must-have for medical professionals preparing for the hepatology boards, as well as practicing gastroenterologists and hepatologists who want to refresh their knowledge and test their proficiency in both fundamental and advanced hepatology topics. *Entrepreneurship* Heidi M. Neck, Christopher P. Neck, Emma L. Murray, 2016-11-30 From Heidi Neck, one of the most influential thinkers in entrepreneurship education today, Chris Neck, an award-winning professor, and Emma Murray, business consultant and author, comes this ground-breaking new text, *Entrepreneurship: The Practice and Mindset*, catapults students beyond the classroom by helping them develop an entrepreneurial mindset so they can create opportunities and take action in uncertain environments. Based on the world-renowned Babson Entrepreneurship program, this new text emphasizes practice and learning through action. Students learn entrepreneurship by taking small actions and interacting with stakeholders in order to get feedback, experiment, and move ideas forward. Students walk away from this text with the entrepreneurial mindset, skillset, and toolset that can be applied to startups as well as organizations of all kinds. Whether your students have backgrounds in business, liberal arts, engineering, or the sciences, this text will take them on a transformative journey. **The Probability Lifesaver** Steven J. Miller, 2017-05-16 The essential lifesaver for students who want to master probability. For students learning probability, its numerous applications, techniques, and methods can seem intimidating and overwhelming. That's where *The Probability Lifesaver* steps in. Designed to serve as a complete stand-alone introduction to the subject or as a supplement for a course, this accessible and user-friendly study guide helps students comfortably navigate probability's terrain and achieve positive results. *The Probability Lifesaver* is based on a successful course that Steven Miller has taught at Brown University, Mount Holyoke College, and Williams College. With a relaxed and informal style, Miller presents the math with thorough reviews of prerequisite materials, worked-out problems of varying difficulty, and proofs. He explores a topic first to build intuition and only after that does he dive into technical details. Coverage of topics is comprehensive, and materials are repeated for

reinforcement both in the guide and on the book's website. An appendix goes over proof techniques and video lectures of the course are available online. Students using this book should have some familiarity with algebra and precalculus. The Probability Lifesaver not only enables students to survive probability but also to achieve mastery of the subject for use in future courses. A helpful introduction to probability or a perfect supplement for a course. Numerous worked out examples. Lectures based on the chapters are available free online. Intuition of problems emphasized first then technical proofs given. Appendixes review proof techniques. Relaxed conversational approach.

Supervision in the Hospitality Industry John R. Walker, Jack E. Miller, 2015-12-29. Supervision in the Hospitality Industry 8th Edition focuses on the different roles of employees from beginning leaders newly promoted supervisor or anyone planning a career in the hospitality field. A market leader, this text is widely used by thousands of students training for a career in the hospitality industry and current hospitality supervisors alike. Supervision is unique in that it does not solely rely on the supervisor's point of view; instead, it considers the viewpoints of all levels of associates to create an informed picture of management and supervision in the hospitality industry.

Advanced Latin Stephen Anderson, James Morwood, Katharine Radice, 2013-10-16. Advanced Latin offers a range of material to help students build and develop the knowledge and skills needed for A2 and Pre U Latin. There are 24 translation comprehension exercises based on passages taken predominantly from Livy, Caesar, and Ovid. These match exactly the requirements of A2, but the passages work equally well as unseen for those working towards Pre U. Six further passages are offered for unseen translation only and are designed to stretch the most able. There are then 12 passages of continuous prose for translation into Latin, each supported by notes to help the student and an appendix that contains a comprehensive English-Latin vocabulary. To support the study of A2 and Pre U literature, there are short commentaries on sample passages from each of the prescribed authors, demonstrating a variety of interpretative approaches. In addition, for each author, there is an annotated bibliography to guide both teacher and student to the most useful secondary literature available. A separate section focuses on the Pre U unseen literary criticism option and offers six practice passages.
