Exam Secrets in Literature-in-English: What JAMB, WAEC and NECO Want from Candidates Mazi Basil Nwokorie, Exam Secrets in Literature in English What JAMB WAEC NECO and NABTEB Want from candidates is specifically crafted for students and candidates who are preparing to take the examinations in Literature in English as administered by esteemed bodies such as Joint Admission And Matriculation Board JAMB West African Examination Council WAEC National Examination Council NECO and other similar institutions across Nigeria and Anglophonic West Africa With clear guidance and focused insights it equips candidates with the knowledge and strategies needed to succeed in these examinations confidently *A Practical Guide to University and College Management* Steve Denton, Sally Brown, 2009-09-11 Written for the Higher Education manager this is a highly accessible text that offers practical guidance on managing the day to day life of colleges and universities throughout the academic year It takes a proactive approach and offers a range of best practice examples and solutions for resolving dilemmas that arise in a rapidly changing environment **WAEC in Review** Benjamin Freeman Jr., 2014-11-07 WAEC in Review is a practical intervention strategy in transforming the weakening educational system of Liberia where academic excellence is unceasingly diminishing LIPACE Pilot Study Guide is not only a landmark achievement in the educational history of Liberia but a remarkable stride towards the proper preparation of Liberian students for future diets of the WAEC exam As a member of the National Committee of the West African Examinations Council and a Stakeholder in the Liberian Education System I wish to recommend the use of this study guide to adequately prepare each and every Liberian student for future examinations thereby setting the stage for an easy transition to the emerging West African Senior Secondary Examinations WASSCE I am explicitly confident that you will definitely find your journey through this guide very rewarding as you prepare to sit the next WAEC Exam David S Massaquoi Sr director of Education The Salvation Army Liberia Command Education Secretariat Our students sit the exam in constant fear of proctors and supervisors They know nothing about the exam and its structure and this fear lead to them failing massively We need to build the confidence level of our students and help them to study hard and understand the roles of proctors and supervisors to stop the intimidation during the exam Thanks to LIPACE and the Turning the Tide project we have helped our students achieved an amazing achievement for the first time in the history of Gbarpolu County where all senior students successfully passed the exam Lartey Bemah principal of Bopolu Public School 2012 2013 Gbarpolu County Liberia *The African Book Publishing Record*, 2001 *Annual Conference Proceedings* Science Teachers Association of Nigeria. Conference, 2006 **West African Journal of Education**, 1972 **The Nigerian Academic Forum**, 2007 *Indigenist African Development and Related Issues* Akwasi Asabere-Ameyaw, Jophus Anamuah-Mensah, George Sefa Dei, Kolawole Raheem, 2014-07-11 There is no term so heavily contested in social science literature nomenclature than Development This book brings Indigenous perspectives to African develop ment It is argued that contrary to development as we know it not

working a greater part of the problem is that conventional development approaches that work have in fact not truly been followed to the letter and hence the quagmire. All this is ironic since everything we do about our world is development. So how come there is difficult knowledge when it comes to learning from what we know i.e. what local peoples do and have done for centuries as a starting point to reconstructing and reframing development. In getting our heads around this paradox we are tempted to ask more questions. How do we as African scholars and researchers begin to develop home grown solutions to our problems. How do we pioneer new analytical systems for understanding our communities and offer a pathway to genuine African development i.e. Indigenist African development see also Yankah 2004. How do we speak of Indigenist development mindful of global developments and entanglements around us. Can we afford to pursue development still mired in a catch up scenario. Are we in a race with the development world and where do we see this race ending or where do we define as the finishing line.
