Death of a Salesman Arthur Miller, 1949-05-01 The Pulitzer Prize winning tragedy of a salesman's deferred American dream. Ever since it was first performed in 1949, *Death of a Salesman* has been recognized as a milestone of the American theater. In the person of Willy Loman, the aging failing salesman who makes his living riding on a smile and a shoeshine, Arthur Miller redefined the tragic hero as a man whose dreams are at once insupportably vast and dangerously insubstantial. He has given us a figure whose name has become a symbol for a kind of majestic grandiosity and a play that compresses epic extremes of humor and anguish, promise and loss between the four walls of an American living room. By common consent, this is one of the finest dramas in the whole range of the American theater. Brooks Atkinson, *The New York Times*. So simple, central, and terrible that the run of playwrights would neither care nor dare to attempt it. *Time*.

Confused about the new morality, people find it impossible to make ethical and honorable conclusions of what is right. Misled by the wrong images, values, and definitions of worth, some are being hopelessly drawn into the culture's embrace. And listening to the gathering opinion of male leadership, we are losing mentors for our youth, putting society at risk. *A Legacy of Faith* takes a passionate look at these misconceptions, referring to them as lies. It tackles the tough issues and through many stories leads the reader to rediscover spiritual focus, personal value, integrity, and the desire to pass that along to others.
