important for a single woman to discover themselves be happy in themselves on their own and to become closer to God and then the perfect relationship will follow Mhlaba has a sincere passion for her religion and for her newfound cause in life to spread the word of God and encourage single women through the passages of her book which are certain to be consoling to many of the South African women who continuously find themselves in bad relationships or feel without direction if they are alone She is at pains to urge Christian women to be comfortable in the now and to remember that God has a plan for everyone They just need to have faith and remember that being single is an opportunity for them to be themselves and a blessing from God
