The Acts and Monuments of John Foxe John Foxe, George Townsend, 1870 Proceedings of the Bible Revision Convention Bible Revision Association. Convention, 1852 *Perspectives on Translation and Interpretation in Cameroon* N. Chia, C. Suh, 2009-08-15 *Perspectives on Translation and Interpretation in Cameroon* is the first volume of a book series of the Advanced School of Translators and Interpreters ASTI of the University of Buea. It opens a window into the wide dynamic and interesting area of translation and interpretation in a multilingual Cameroon that had on the eve of independence and unification opted for official bilingualism in French and English. The book comprises contributions from scholars of translation in the broad area of translation comprising the concept of translation and its pedagogy, the history of translation and the state of the art of translation as a discipline, profession and practice. The book also focuses on acquisition of translation competences through training and chronicles the history of translation in Cameroon through the contributions of both Cameroonian and European actors from the German through the French and English colonial periods to the postcolonial present. In their minutia rich, original and comprehensive, the book is a timely and invaluable contribution to the growing community of translators and interpreters in Africa and globally. Vathek with The Episodes of Vathek William Beckford, 2001-05-14 William Beckford's Vathek is a touchstone of eighteenth century Orientalism and of the Gothic novel. Beckford's later work The Episodes of Vathek shares Vathek's irreverent and decadent style and an edition that unites the two has long been overdue. The Broadview edition includes a newly discovered early version of the first episode never before

in print that centres on male male love as well as the previously published version that was re written by Beckford as a heterosexual narrative Based on the 1823 edition the last one edited by the author himself the Broadview Edition also introduces The Episodes in the order Beckford planned and incorporates his final corrections *The Transparent Eye* Eugene Chen Eoyang,1993-02-01 In this remarkably stimulating and erudite series of essays Eugene Chen Eoyang explores many of the underlying paradigms and presumptions in world literature highlighting issues of cultural interchange and cultural hegemony Translation is seen in this perspective as a central rather than a peripheral factor in understanding the meanings of literary works Taking concrete examples from Chinese literature Eoyang illuminates not only the semantic collisions that underlie the complexities of translation but also the cultural identities reflected in language and values The title alludes to a passage from Emerson reminding us that the object on view is not only the vision we see but is also the organ through which that vision is apprehended The confrontation with a radical other which is for many Westerners what Chinese literature represents is thus both a discovery and a self discovery Part of the book s originality is that it identifies a new audience one that is incipiently bicultural or knowledgeable about what has been called East as well as what has been called West Readers with an interest in the theory and practice of translation will find this an inspiring and indispensable work one that prepares the way for a comparative poetics that recognizes the intense subjectivities in every culture and at the same time establishes a basis for a comparison that tries to transcend even as it acknowledges provincialities *The Church Historians of England* ,1870 This series consists of The life and defence of John Foxe with his Prefaces Kalender of martyrs and Acts and monuments **Nordic Sagas as Children's Literature** Velma Bourgeois Richmond,2023-08-23 This book examines translations of Icelandic sagas and the Victorian and Edwardian children s literature they inspired some of which are canonical while others are forgotten It covers authors like William Morris Henry Wadsworth Longfellow Thomas Gray Walter Scott H Rider Haggard W H Auden John Greenleaf Whittier and more In lavish volumes and modest schoolbooks British and American writers claimed Nordic heritage and explored Nordic traditions The sagas offered a rich and wide ranging source for these authors Volsunga saga s Sigurd the dragon slayer King Olaf s saga of opposing Nordic Gods and Christianity Frithiof s model of headstrong youth beset with unfair opposition and lost love Grettir and Njal tell of men who accepted fate and met conflict and enemies unflinchingly Aslaug Gudrida Hallberga and Hervar exerted remarkable influence and Eric the Red and Leif the Lucky provided Americans with a Nordic heritage of discovery Barbara Wright Debra Kelly,Madeleine Renouard,2013-08-01 Legendary publisher and writer John Calder said of Barbara Wright that she was the most brilliant conscientious and original translator of 20th century French literature Wright introduced to an English speaking readership and audience some of the most innovative French literature of the last hundred years a world without Alfred Jarry s Ubu Raymond Queneau s Zazie and Robert Pinget s Monsieur Songe scarcely bears thinking about This wonderful collection of texts about and by Barbara Wright including work by David Bellos Breon Mitchell and Nick Wadley as

well as a previously unpublished screenplay written and translated by Wright in collaboration with Robert Pinget begins the work of properly commemorating a figure toward whom all of English letters owes an unpayable debt *Anonymity in Eighteenth-Century Italian Publishing* Lodovica Braida, 2022-09-22 This book focuses on the different forms in which authorship came to be expressed in eighteenth century Italian publishing It analyses both the affirmation of the author function and above all its paradoxical opposite the use of anonymity a centuries old practice present everywhere in Europe but often neglected by scholarship The reasons why authors chose to publish their works anonymously were manifold including prudence fear of censorship modesty fear of personal criticism or simple divertissement In many cases it was an ethical choice especially for ecclesiastics The Italian case provides a key perspective on the study of anonymity in the European context contributing to the analysis of an overlooked topic in academic studies *Cathay* Ezra Pound, 2018-12-04 Finalist Pegasus Award for Poetry Criticism Ezra Pound's *Cathay* 1915 is a masterpiece both of modernism and of world literature The muscular precision of images that mark Pound's translations helped establish a modern style for American literature at the same time creating a thirst for classical Chinese poetry in English Pound's dynamic free verse translations in a modern idiom formed the basis for T S Eliot's famous claim that Pound was the inventor of Chinese poetry for our time Yet Pound achieved this feat without knowing any Chinese relying instead on word for word cribs left by the Orientalist Ernest Fenollosa whose notebooks reveal a remarkable story of sustained cultural exchange This fully annotated critical edition focuses on Pound's astonishing translations without forgetting that the original Chinese poems are masterpieces in their own right On the one hand the presentation of all that went into the final *Cathay* makes it possible for the first time to appreciate the magnitude and the nuances of Pound's poetic art At the same time by bringing the final text together with the Chinese and Old English poems it claims to translate as well as the manuscript traces of Pound's Japanese and American interlocutors the volume also recovers practices of poetic circulation resituating a Modernist classic as a work of world literature The Pound text and its intertexts are presented with care clarity and visual elegance By providing the first accurate and unabridged transcriptions of Fenollosa's notebooks along with carefully edited Chinese texts the volume makes it possible to trace the movements of poetic ideas and poetic expression as they veer toward and away from Pound's creations In supplying the full Fenollosa texts the volume overturns decades of scholarship that has mystified Pound's translation process as a kind of clairvoyance displaying instead the impressive amount of sinological learning preserved in Fenollosa's hard to read notebooks and by detailing every deviation from the probable sense of the originals The edition also supplies exhaustive historical critical and textual notes clarifying points that have sometimes lent obscurity to Pound's poems and making the process of translation visible even for readers with no knowledge of Chinese *Cathay A Critical Edition* includes the original fourteen Chinese translations as well as Pound's unique version of *The Seafarer* which is fully annotated alongside its Anglo Saxon source Also included are Pound's fifteen additional Chinese translations from *Lustra* and other contemporary

publications his essay Chinese Poetry 1919 a substantial textual Introduction and original essays by Christopher Bush and Haun Saussy on international modernism the mediation of Japan and translation The meticulous treatment and analysis of the texts for this landmark edition will forever change how readers view Pound's Chinese poems In addition to discoveries that permanently alter the scholarly record and force us to revise a number of critical commonplaces the critical apparatus allows readers to make fresh discoveries by making available the specific networks through which poetic expression moved among hands languages and media Ultimately this edition not only enables us more fully to appreciate a canonical work of Modernism but also resituates the art of Pound's translations by recovering the historical circulations that went into the making of a multiply authored and intrinsically hybrid masterpiece *The Aesthetics of Net Literature* Peter
