Waiting On Justin:

Waiting on Justin Lucy H. Delaney, 2014-10-30 Can everlasting love grow amidst never ending despair Best friends Justin and Haylee learn early on that the answer is yes Their parents would rather spend time drinking and partying than raising children so the two rely on each other for the care and emotional support they need Over time Justin and Haylee become lovers despite the age difference between them Theirs is a forbidden romance that would destroy them both if discovered The older of the two Justin is more than a little rough around the edges He does everything he can to protect Haylee from as much abuse as possible but when tragedy strikes there is nothing he can do keep her from being taken into the foster system The system meant to save kids threatens to pull the two of them apart Haylee begs Justin to run away with her but the powers that be force him into an inescapable corner Blaming Justin for the distance that separates them Haylee shuts out everything and everyone from her past including Justin She tries to forget him She tries to replace him But he is always there So is her own addiction When it finally gets the best of her she finds herself utterly alone She soon discovers what Justin has always known Their love was worth waiting for

Robert W. W. Parsons, 2018-09-16 We began with the generations of my great great grandparents great grandparents grandparents parents and continued on in book 2 with the high school years. Then with the unexpected inheritance the transfer to Harvard University and the gauntlets of the seventies and eighties. So what's next? What's next? The discovery of Michael's lost summer of free love in 1967. Let us return to the days of Make love not war as the hippies chanted this and danced in the parks of San Francisco high on life. Or was it LSD? Matlin and Michael continue their life's journey with newfound friends and continuing struggles. A brother's betrayal is heart wrenching yet forgiving. But a brother's death is forever life changing tragic. Great grandfather's gold is discovered right under the twin's noses while myths and legends are being revealed. Stories will be told that lie in the dusty recessed fictional section of the library where movies are made from to stretch our imaginations of those so called fictitious legends and myths. It will be discovered that what you may have read in books and what you may have seen in movies may be and in the case of the twins real. As we say farewell to Michael a new chapter opens for Matlin's new beginning. See what a grandson has to say about his grandfather's beliefs. Tommy Crow begins to introduce us to Matlin and Michael's friends that they have made over the years. Hear what these friends have to say about the DeMarco brothers and the gaps in Matlin's and Michael's stories that are now being filled. **Dance of Death**
