The Fractured Thread Nyxara Wolfwyn, 2025-11-11 The Fractured Thread Book I The Twin Lights Prophecy Some bonds are woven by fate Others are forged in fire Nyxara Moonstone has spent her life hidden in the shadows of a pack that fears what she is A Seer whose visions cut through time A wolf whose bloodline was supposed to be extinct When the Howling Ceremony calls her forward she expects to find her fated mate and finally claim her place in the world What she finds instead is Caide Moonstone the one wolf she cannot have Raised as brother and sister bound by years of shared history and unspoken rules they have always kept their distance But when violet light pours from the ceremonial river and wraps around them both when ancient magic recognizes what they have tried to deny everything changes They are not siblings They never were They are the Twin Lights Prophecy made flesh Caide carries the flame of royal blood and the shadow of a curse that has destroyed every bond his line has ever known Nyxara holds the thread of time itself visions that show futures she cannot change and pasts she cannot escape Together they are the heirs the Moon Goddess has been waiting for But prophecy does not ask permission When the bond snaps into place with a force that shatters everything they thought they knew they are thrust into a world of ancient trials hidden bloodlines and enemies who would see them destroyed before they can fulfill their destiny The Council declares their bloodlines extinct The Cult of the Broken Mirror seeks to sever what the Moon has woven And between them stands a truth neither can deny They can run from the prophecy They can fight what they feel But the Moon does not release what it has claimed In a world where bonds break and curses echo through time two souls must choose between destiny and destruction Perfect for readers who crave prophecy driven fantasy forbidden fated mates enemies to lovers tension and wolves who refuse to bow to fate Tropes Fated Mates Forbidden Love Prophecy Found Family Forced Proximity Touch Her and Die Dual POV Slow Burn Romance Alpha Wolf Romance *Forgotten Lyrics* Amanda Hocking, 2012-10-30 Don't miss this imaginative new short story set in the magical world of Watersong a realm of enchanting beauty and terrifying secrets Aggie is a mythological creature on a secret mission Lydia is a young woman from a magical family with no real powers of her own And Daniel is a high school boy who's made it his duty to protect his deeply troubled older brother Then one fateful night their lives collide in a terrifying accident that changes them all forever And beneath the surface the ripple effects of the accident will have more impact than anyone could ever guess changing not only their future but the fate of an entire town *The Braided Dream* Randolph Paul Runyon, 2014-07-15 Robert Penn Warren's reputation as a poet though always considerable has soared in the last decade as indicated by his recent selection as America's first poet laureate The Braided Dream is one of the first book length studies of the poetry that has led to Warren's recent rise to eminence and the first to consider his final collection *Altitudes and Extensions* In a communicable jargon free style that will appeal to the nonacademic reader as well as the serious scholar Randolph Paul Runyon provides a detailed and illuminating

guide to a body of poetry that despite its greatness has until now seemed resistant to full understanding Every poem of Warren s last four sequences Now and Then Being Here Rumor Verified and Altitudes and Extensions is given a close reading with a precise laying out of words phrases and recurring images that not only enrich the texture of the poetry but are themselves the texture Runyon demonstrates the relevance of Freud s concept of the dream work of the unconscious to a reading of this tightly interwoven poetry He shows how Warren s poems assume additional meanings by the poet s very arrangement of them deepening his thesis by arguing that poems eat poems as each reuses and reconceptualizes the imagery of its predecessor frequently with ironic or parodic effect **Cane River Creole National Historical Park** ,2000
