Novice Youth Director L. Seth Duhs, 2023-06-15 After being on staff for nearly a month the youth director was suddenly summoned into the senior pastor's office The pastor quickly shut the door and skipping all pleasantries boldly announced I'd love to help you I just don't have time for you Uncertain of how to respond and with no questions allowed the youth director was dismissed That was the last meeting he ever had with the senior pastor Weren't there supposed to be ample amounts of excitement for the newly appointed fresh youth director This fresh but now confused youth director wanted to do a good job but had no idea where to begin He was young and everyone was too busy to mentor him even when he had asked for help Perhaps you're in a similar situation but you're hesitant to admit it out loud This book is a practical guide aimed at helping anyone struggling with escaping the tempting isolated island of youth ministry and building a network of kingdom minded students parents and church members focused on living for Jesus Christ in what sometimes seems like a Jesus less world

Autobiographical fiction That's the feeling you get when you read debut author Juul Heko's book about their connection to K-pop group BTS. A special connection that was developed seven years before Juul Heko even knew of BTS' existence. What do you do when your soul is broken due to early childhood trauma and trauma sustained after multiple medical errors by doctors and hospital staff in your childhood development. And because of these unresolved traumas you develop a rare autoimmune disease because a piece of your DNA gets damaged just after you as an in-between child enter female puberty. If your soul is androgynous, your psyche both male and female. Animus and Anima, but your body has a binary gender. Does inner chaos then arise? Can you repair your broken Self? And how? To upcycle my inner and outer damaged Self during my 2019-2020 gender transition, I needed a roadmap of the soul. And it just so happened that music group BTS released a musical *Map of the Soul 7* at the very moment I felt I no longer wanted to live due to a severe depression in early 2020. A music album inspired by the Red Book of psychiatrist and psychologist C. G. Jung. Whether I succeeded in repairing myself holistically while repairing damaged products from the secondhand store in Wijchen, the Netherlands, using BTS's *Map of the Soul 7*, you can read in my English language memoir e-book. **A Higher Standard** Ann Dunwoody, 2025-05-01

On June 23, 2008, President George W. Bush nominated Ann Dunwoody as a four-star general in the US Army, the first time a woman had ever achieved that rank. The news generated excitement around the world. Now retired after nearly four decades in the Army, Dunwoody shares what she learned along the way from her first command leading 100 soldiers to her final assignment in which she led a 60-billion enterprise of over 69,000 employees including the Army's global supply chain in support of Iraq and Afghanistan. What was the driving force behind Dunwoody's success? While her talent as a logistician and her empathy in dealing with fellow soldiers helped her rise through the ranks, Dunwoody also realized that true leaders never stop learning, refining, growing, and adapting. In *A Higher Standard*, Dunwoody details her evolution as a soldier and reveals the core leadership principles that helped her achieve her historic appointment. Dunwoody's strategies are applicable to any leader, no matter the size or scope of the organization. They include lessons such as: Never Walk by a Mistake, a mandate to recognize when something is wrong, big or small, and to hold people accountable. Not only can this save billions for industry; it can sometimes save the lives of soldiers and citizens. She also advises that Leaders Aren't Invincible. Don't Try to Be to be our best; we have to acknowledge our worst. And she encourages readers to Leverage the Power of Diversity by creating teams of people from different backgrounds to provide a broad range of ideas and devise the best informed decisions. With these and other guiding principles, *A Higher Standard* offers practical tactical advice that everyone can use to lead and achieve with maximum success.
