Leading by Story Vaughan S. Roberts, David Sims, 2017-09-29 There is a great deal of polemical interest in churches across the UK US and Europe about applying ideas from the world of leadership and management to Christian ministry On one side of the debate are those who wish to apply sometimes quite uncritically quantitative approaches which they hope will enable churches to be run in a more business like manner On the other side there are those who argue that insights from organizational studies have no place in churches

whatsoever This innovative and original book argues that the qualitative thinking about organizational narrative can provide significant insights into how churches function which is much more in keeping with their ethos and history As well as analysing how stories and storytelling work in churches it also provides practical ideas for how they can be used to improve church leadership Taking the work of organizational thinkers and researchers and bringing it into conversation with biblical scholars theologians and church historians the authors establish a conversation across these disciplines and explore how story and narrative work through and within churches Table of Contents 1 What Is Leadership 2 Leading the Stories and Storying the Leading 3 Stories and Identities Story Character and Becoming 4 Living in Multiple Stories 5 Who Owns the Story 6 Church Narratives Interpretive Stories 7 Church Narratives Identity Stories 8 Church Narratives Improvised Stories 9 Curating Congregational Stories in a Tick Box Church *Sappi Tree Spotting* Val Thomas,2004 *Current Applications of Nanobiomaterials, Volume 1* Karuppusamy Arunachalam,Krishnan Anand,Sathish Sundar Dhilip Kumar,Sonaimuthu Mohandoss,Ram Prasad,Zikhona Tywabi-Ngeva,2025-10-13 Biomaterials play a vital role in medicine today including restoring function and facilitating diagnosis and disease prevention Biomaterial based products consist of either natural or synthetic materials Biomaterials derived from natural products can consist of materials such as proteins polysaccharides lipids glycoproteins lipoproteins cellular matrix and its components These products may be used as alternatives to animal derived and synthetic chemical products to develop new therapeutic and diagnostic approaches with greater eco friendliness and sustainability according to new research They are also biocompatible biodegradable renewable non toxic and capable of remodelling Recently scientists have been exploring the potential use of plant based cellular matrix based biomaterials for the treatment of various communicable and noncommunicable diseases a trend that has attracted the attention of global biomedical research Globally there has been an increase in the need for more effective treatment and diagnostics as a result of the overwhelming disease burden in society *Current Applications of Nanobiomaterials Volume 1 and Volume 2* together outline the most widely used biomaterials derived from non animal natural resources such as plants fungi algae and microbes with a focus on novel therapeutic and diagnostic applications **Handbook of Research on Discourse Behavior and Digital Communication: Language Structures and Social Interaction** Taiwo, Rotimi,2010-05-31 A compendium of over 50 scholarly works on discourse behavior in digital communication *An Electronic Patient Referral Application: A Case Study from Zambia* Niamh Darcy,Chris Kelley,Eileen Reynolds,Gordon Cressman,Wm. Peace, Decolonization, and the Practice of Solidarity Rob Skinner, 2023-10-05 This book shows that the connected histories of decolonization and globalization concern the practices of individuals and movements as much as they do the ideologies of states institutions and organizations Viewing decolonization through non state activist practices and setting anti colonial solidarity in the context of the methods of contemporary global peace movements it argues that seemingly marginal histories can illuminate aspects of the end of empire that are not readily apparent in studies centred on state diplomacy and nationalist movements Focusing on a group of British and American activists including the pacifist campaigner A J Muste the anti apartheid priest Michael Scott and the civil rights organiser Bayard Rustin Skinner explores connected global histories of anti nuclear peace campaigns anti colonialism and decolonization to illuminate new perspectives on the end of empire and the Cold War Studying a failed attempt to infiltrate the French atom bomb test site in southern Algeria and a mass march across the border between Tanganyika and Northern Rhodesia that never took place these stories provide valuable insights into the interactions between local and global scales of historical experience In presenting these histories this book demonstrates how global and transnational histories can challenge and disrupt rather than reinforce hierarchies of power and privileges In doing so it also contributes to ongoing debates surrounding the nature of decolonization as a historical phenomenon by focusing on the practices of activism that shaped and were shaped by the political and intellectual structures of decolonization

Apartheid, Militarism and the U.S. Southeast Ann Willcox Seidman, 1990

Internal Frontiers Jon Soske, 2017-12-01 In this ambitious new history of the antiapartheid struggle Jon Soske places India and the Indian diaspora at the center of the African National Congress's development of an inclusive philosophy of nationalism In so doing Soske combines intellectual political religious urban and gender history to tell a story that is global in reach while remaining grounded in the everyday materiality of life under apartheid Even as Indian independence provided black South African intellectuals with new models of conceptualizing sovereignty debates over the place of the Indian diaspora in Africa they also colonized other forced a reconsideration of the nation's internal and external boundaries In response to the traumas of Partition and the 1949 Durban Riots a group of thinkers in the ANC centered in the Indian Ocean city of Durban and led by ANC president and Nobel Peace Prize winner Albert Luthuli developed a new philosophy of nationhood that affirmed South Africa's simultaneously heterogeneous and fundamentally African character Internal Frontiers is a major contribution to postcolonial and Indian Ocean studies and charts new ways of writing about African nationalism

Joshua Mqabuko Nkomo of Zimbabwe Sabelo J. Ndlovu-Gatsheni, 2017-08-17 This book is a pioneering study of Joshua Mqabuko Nkomo a Zimbabwean nationalist whose

crucial role in the country's anti colonial struggle has largely gone unrecognized These essays trace his early influence on Zimbabwean nationalism in the late 1950s and his leadership in the armed liberation movement and postcolonial national building processes as well as his denigration by the winners of the 1980 elections Mugabe's Zimbabwe African National Union Patriotic Front The Nkomo that emerges is complex and contested the embodiment of Zimbabwe's tortured trajectory from colony to independent postcolonial state This is an essential corrective to the standard history of twentieth century Zimbabwe and an invaluable resource for scholars of African nationalist liberation movements and nation building

Winnie and Nelson Jonny Steinberg, 2025-06-10 A NATIONAL BOOK CRITICS CIRCLE AWARD WINNER THE SUNDAY TIMES LITERARY AWARD WINNER AN LA TIMES BOOK PRIZE FINALIST A WASHINGTON POST AND NEW YORKER 2023 BEST BOOK OF THE YEAR A deeply researched shattering new account of Nelson Mandela's relationship with Winnie Madikizela Mandela that does justice both to the couple's political heroism and to the betrayals and the secrets that hounded their union The New Yorker Drawing on never before seen material Steinberg one of South Africa's foremost nonfiction writers reveals the fractures and stubborn bonds at the heart of a volatile and groundbreaking union a very modern political marriage that played out on the world stage Powerful intimate The Washington Post One of the most celebrated political leaders of a century Nelson Mandela has been written about by many But in one crucial area his life remains largely untold his marriage to Winnie Madikizela Mandela During his years in prison Nelson grew ever more in love with an idealized version of his wife courting her in his letters as if they were young lovers frozen in time But Winnie every bit his political equal found herself increasingly estranged from her jailed husband's politics Behind his back she was trying to orchestrate an armed seizure of power a path he feared would lead to endless civil war Jonny Steinberg tells the tale of this unique marriage its longings its obsessions its deceits making South African history a page turning political biography Winnie and Nelson is a modern epic in which trauma doesn't affect just the couple at its center but an entire nation It is also a Shakespearean drama in which bonds of love and commitment mingle with timeless questions of revolution such as whether to seek retribution or a negotiated peace Steinberg reveals with power and tender emotional insight how far these forever entwined leaders would go for each other and where they drew the line For in the end both knew theirs was not simply a marriage but a contest to decide how apartheid should be fought
